Betrothed Douglas A. Wheeler, 2012      *From Genesis to Revelation God Takes a Bride* Susan A. Cyre, 2019-06-02 This book examines the whole of Scripture as the unfolding marriage covenant between God and his people The book demonstrates that God's marriage to his people is the central theme of the Bible Eighteenth century Reformed pastor Jonathan Edwards captured that perspective when he observed The creation of the world seems to have been especially for this end that the eternal Son of God might obtain a spouse to whom he might pour forth all that immense fountain of love and grace that was in his heart and that in this way God might be glorified This book traces the divine marriage from God's promises to Abraham to the betrothal covenant that includes the Ten Commandments to Israel's breaking of the covenant as described by the prophets to the new covenant in Christ and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb God instituted the marriage of a man and a woman in Genesis 2 to be an image of God's divine marriage with his people Therefore it is not a coincidence that both the Gospel and marriage are under attack in our culture Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage This book enables Christians whether single or married to appreciate in a much fuller way the depth and nature of God's love for his bride Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage inspiring Christians to pursue marriages that more faithfully reflect God's design This book proclaims Scripture's message of God's unrelenting irrevocable love for his bride and invites the church to respond Susan A Cyre MDiv helped found Presbyterians for Faith Family and Ministry in 1995 and served as its executive director until 2014 She edited its bimonthly publication Theology Matters She has authored numerous articles dealing with biblical truth and its intersection with cultural norms She and her husband live in Virginia      **The Betrothed** Alessandro Manzoni, 1909      **I Promessi Sposi (The Betrothed)** Alessandro Manzoni, 1909      *The Harvard Classics: I promessi sposi (The betrothed)*, 1909      **The Betrothed Lovers** Alessandro Manzoni, 1889      *I Promessi Sposi (The Betrothed)* With Introd. and Notes Alessandro Manzoni, 1909      **The betrothed lovers. Manzoni, 1889      Kierkegaard and the Treachery of Love Amy Laura Hall, 2002-08 This is a major study of Kierkegaard and love Amy Laura Hall explores Kierkegaard's description of love's treachery difficulty and hope reading his Works of Love as a text that both deciphers and complicates the central books in his pseudonymous canon Fear and Trembling Repetition Either Or and Stages on Life's Way In all of these works the characters are as in real life complex and incomplete and the conclusions are perplexing Hall argues that a spiritual void brings each text into being and her interpretation is as much about faith as about love In a style that is both scholarly and lyrical she intimates answers to some of the puzzles making a poetic contribution to ethics and the philosophy of religion      **The Harvard Classics: Manzoni, Alessandro.
