Between Spaces Emily Elizabeth McAdams, 2015-11-28 Darien is a teenage girl living in New Orleans in an imperfect world Her father abandoned her and her family when she was eight her brother dies unexpectedly and her mom is checked out emotionally Darien never truly feels like she fits into the world Bizarre things seem to happen when she's around What she doesn't realize is why until the day she is taken away to a hidden island nobody knows about between Earth and its atmosphere There Darien learns about numerous islands surrounding Earth and the people and creatures who inhabit them She is placed in the middle of a war between two of the islands Fiji and Yale Even stranger is that Darien's father seems to be a big part of it She learns that the island of Fiji brought her there because they believe she is the Hectom a special person who is supposed to end the war and save them all Is Darien truly the savior of this new world What secrets will she discover about herself along the way And what do these islands and war have to do with her father
