

A high-angle, low-key photograph of a diverse group of young people, likely students, huddled together outdoors on a grassy area. They are all smiling and looking upwards, with their arms raised and hands clasped in the center, creating a sense of unity and teamwork. The lighting is bright, suggesting a sunny day.

theory to articulate a new vocabulary of race the author concludes not with a simplistic healing of the divide but with a challenge to embrace the responsibility inherent to our social order American Literatures Initiative
