

The background of the book cover is a detailed illustration of a desert landscape. In the foreground, a Gila Monster with its characteristic black and orange-yellow beaded pattern is coiled on a rocky, pebbly ground. A small Beaded Lizard is visible in the upper right corner, partially obscured by some dry grass. The title is printed in a large, green, serif font, with the words 'BIOLOGY OF' in a smaller, orange, sans-serif font. The author's name is in orange, and the contributors' names are in white. The overall scene is set in a rocky, arid environment with some sparse desert vegetation.
