Store Chronicles :

Cohen Brothers Ennis Davis, Sarah Gojekian, 2012-10-16 Once known as the Wanamaker of the South Cohen Brothers department store captured the hearts of thousands of Jacksonville residents Metro Jacksonville writers Ennis Davis and Sarah Gojekian take a wonderful trip through the store from its beginnings as a dry goods enterprise in a small log cabin to its growth into a trend setting retail institution and the final poignant closing of its doors Davis and Gojekian brilliantly combine interviews with former employees stories from the vibrant atmosphere the store created and memories from longtime residents to bring readers back to the bright glow and elegance of one of the South's most distinctive enterprises

Household Food Storage in Ancient Israel and Judah Tim Frank, 2018-11-30 This volume serves as a source book on domestic food storage in Ancient Israel and Judah by outlining important ethnographic and ancient textual and pictorial sources relevant to the discussion These allow us to understand the motivated actions in relation to food storage and the significance of food storage in daily life

By All Accounts Linda English, 2013-03-14 The general store in late nineteenth century America was often the economic heart of a small town Merchants sold goods necessary for residents daily survival and extended credit to many of their customers cash poor farmers relied on merchants for their economic well being just as the retailers needed customers to purchase their wares But there was more to this mutual dependence than economics Store owners often helped found churches and other institutions and they and their customers worshiped together sent their children to the same schools and in times of crisis came to one another's assistance For this social and cultural history Linda English combed store account ledgers from the 1870s and 1880s and found in them the experiences of thousands of people in Texas and Indian Territory Particularly revealing are her insights into the everyday lives of women immigrants and ethnic and racial minorities especially African Americans and American Indians A store's ledger entries yield a wealth of detail about its proprietor customers and merchandise As a local gathering place the general store witnessed many aspects of residents daily lives many of them recorded if hastily in account books In a small community with only one store the clientele would include white black and Indian shoppers and in some locales Mexican American and other immigrants Flour coffee salt potatoes tobacco domestic fabrics and other staples typified most purchases but occasional luxury items reflected the buyer's desire for refinement and upward mobility Recognizing that townspeople often accessed the wider world through the general store English also traces the impact of national concerns on remote rural areas including Reconstruction race relations women's rights and temperance campaigns In describing the social status of store owners and their economic and political roles in both small agricultural communities and larger towns English fleshes out the fascinating history of daily life in Indian Territory and Texas in a time of transition

Business, the Magazine for Office, Store and Factory, 1914 *Before the cure* Deirdre Gould, 2020-04-17 In Neil's mind it started with the man in the park Or more specifically with the vicious bite the man had given Neil He was wrong about that The December Plague had started weeks earlier though no one knew it The

early symptoms were so mild that almost no one noticed them A scratchy throat A feeling of lethargy that you just can't shake But then the slurring started And an intense irritability Finally an irresistible urge to bite and consume accompanying an uncontrollable rage The Infected cannot be reasoned with and there is no known cure They cannot recognize even their closest friends Anything that attracts their notice risks being torn apart including one another Quarantined in a desperate attempt to contain the December Plague the patients and staff of Wing Memorial hospital are left to fend for themselves When the small security force sent to aid them are wiped out the Infected run loose in the halls and Neil is trapped inside with them Even worse is the knowledge that containment has failed and the outside world has no idea what's coming
