

AP Government Summer Assignment 2021

Assignment Overview, Rationale, and Relationship to the Course:

The summer assignment will serve as an introduction to three of the nation's founding documents which students will analyze in greater depth during our first unit of study. This assignment will also introduce students to the type of primary sources they will be analyzing during the semester.

For this assignment, you will be analyzing some of our nation's founding documents. All documents are required readings for the course (as outlined by the College Board). There are videos to assist you for background, but don't rely on them totally. The documents also make up some of our nine foundational documents to use as evidence on FRQ writing responses on the AP Exam.
