Beyond Busyness Time Wisdom For Ministry:

Beyond Busyness Stephen Cherry, 2012-08-01 Connecting the reality and experience of time with the demands and realities of ministry today this book helps ministers to take positive steps towards navigating the very considerable time pressures that many face today

Beyond Busyness Stephen Cherry, 2013-02-12 A book specially written to help you give up busyness in just one hour and get your life back Following the success of his previous book *Beyond Busyness Time Wisdom for Ministry* Dr Stephen Cherry has distilled the essence of Time Wisdom into this bite sized book essential for anyone seeking to restore some balance in their busy life

Beyond Busyness Stephen Cherry, 2012-08-01 Connecting the reality and experience of time with the demands and realities of ministry today this book helps ministers to take positive steps towards navigating the very considerable time pressures that many face today

Developing Faithful Ministers Tim Ling, 2013-01-25 *Developing Faithful Ministers* aims to support the work of all those involved in supervision and training relationships within the Church The Church recognising its call to serve God and the nation seeks to equip and develop its ministers to face the challenge of ministry in a society at the threshold of Christendom that is in a mission context It is a context where both the general public and the institutional church have significant expectations of those in ministry Indeed there is now an expectation of demonstrable capability prior to being licensed to any form of permanent tenure The demand for more professional demonstrably capable mission able and collaborative licensed ministers places particular weight on the efficacy of the initial training relationship *Developing Faithful Ministers* seeks to support those who find themselves in these relationships by offering both models of good practice and sustained theological reflection on what these drivers mean for developing ministry

The Dark Side of the Soul Stephen Cherry, 2016-02-25 In *The Dark Side of the Soul* the author explains and illustrates the Seven Deadly Sins with contemporary examples Sin is an old fashioned word for some startlingly contemporary problems Far from being about trivial naughtiness or seedy self indulgence it s about the financial scandals that have rocked our world and most of the ills that beset us today In clear and accessible language Cherry shows that the traditional Christian concept of sin is a vital tool in understanding what is wrong with human beings Far from leading people into a guilt trap sin is a healthy and truthful word that can help to set us free Human beings are neither intrinsically evil nor congenitally inclined to virtue but many of the problems and predicaments that trouble us today can be better understood and more effectively resolved if their deeper roots are taken into account In this fresh interpretation the author shows that for example our economic problems and our fixation on financial criteria in decision making can be understood through the twin lenses of avarice and lust Our obsessive busyness is a manifestation of sloth and our desire to control and our perfectionism are outworkings of spiritual pride Crucially although sin is an important and necessary word for people to understand and come to terms with it is never in the Christian worldview the last word

Barefoot Ways Stephen Cherry, 2015-08-20 Like the Psalms in honesty and depth these are poems that can help us pray and prayers that can awaken

us to the poetry in everyday life Dame Laurentia Johns From the introduction Barefoot Ways offers the reader a poetic prayerful meditation for every day of December and January It connects with the spiritual themes of Advent Christmas and Epiphany and takes the reader from the first days of a new Christian year to the feast of Candlemas on February 2nd These three great Christian seasons are divided into thematic areas each of which is given a brief introduction The distance from Advent to Candlemas is considerable and there are many ways across its fearful and fascinating terrain I offer here some barefoot ways by which I mean ways that are both down to earth and yet full of spiritual aspiration and hope **Fullness of Vision, Fullness of Life** Jonathan Kimber, 2025-06-30 Recent decades have seen a significant shift in emphasis and vocabulary in writing on Church ministry with a rise in the language of leadership and strategy accompanied by talk of planning targets and outcomes to be addressed in a dynamic positive and forward looking manner This book goes on to offer a vision for a rebalanced mode of ministry Sadness, Depression, and the Dark Night of the Soul Glòria Durà-Vilà, 2017-01-19 This ground breaking book contemplates how some religious individuals and communities conceptualise severe sadness and emotional distress which might otherwise be described as pathological as an essential ingredient for spiritual development It explores the implications this may have for clergy and psychiatrists seeking to understand sadness **Beyond the Screen** Andrew Zirschky, 2015-12-15 It s no secret that teenagers are perpetually connected via social media and mobile devices but while we ve analyzed as a culture how youth are connecting we ve done less well at understanding why teenagers are drawn to the glow of the screen Beyond the Screen explores the reality that teenagers use these technologies in desperate bid for an intimacy and depth of relationship largely absent from face to face society and the church Employing the latest ethnographic research on youth and digital media in tandem with theological reflection and interviews with teens themselves author Andrew Zirschky provides a deeper glimpse into the world of teens and social media and gives new direction and directives for ministering to Millennials *Useful Wisdom* Anthony B. Robinson, 2020-03-18 We ve got a list of questions issues stuff we re dealing with We want your input your thoughts on this stuff Such were the origins of this little book Two young clergy early in their first call imagined that I might have some useful wisdom to pass on based on my own years in ministry Something like this was once standard preparation Young people learned a profession like law ministry or medicine by apprenticing themselves to one seasoned in the practice Not only has that way of learning largely vanished but we now live in times of increasing segregation and suspicion between different generations Still these two millennials bucked the trends They thought they might have something to learn from an old boomer The result is this collection of letters personal wry direct and honest Full of both hope and realism about the church and ministry This collection will be a welcome companion for young and for many not so young clergy trying to get a handle on ministry in the midst of a time that is full of change and challenge
