Beyond Dealmaking Five Steps To Negotiating Profitable Relationships:

Beyond Dealmaking Melanie Billings-Yun, 2010-01-26 Getting to yes is not the same as getting results In *Beyond Dealmaking* international negotiation expert and mediator Melanie Billings Yun shows that the key to winning unbeatable long term results in today's complex economic landscape is to negotiate solid long term relationships Traditionally negotiation has been approached as an isolated activity separate from the business relationship But those who focus only on getting the deal closed often find their victory doesn't translate into sustainable profits Any deal is as fragile as the paper it's written on Countless disputes arise and deals easily collapse when the negotiation process leaves one party unhappy feeling forced into unfair terms or even disgruntled at a change in circumstances In five clear steps Billings Yun takes the pain and fear out of negotiation with her proven GRASP method showing how to Understand the Goals of all parties beyond the immediate deal Develop Routes to maximize mutual benefit and promote synergy among the parties Build openness trust and common understanding through valid Arguments Benchmark Substitutes to keep relationships from growing stale or one sided Increase your Persuasion through empathetic communication and genuine care Filled with real life examples of negotiations that have gone right and wrong this groundbreaking book shows how fairness honesty empathy flexibility and mutual problem solving lead to sustainable success By following the powerful five step GRASP negotiation process anyone can learn to negotiate in a way that is positive exciting and rewarding Most importantly they will learn that the greatest victories come not through fighting battles but through building alliances
