Beyond Tithes And Offerings:

Beyond Tithes and Offerings Dr. J. Gayle Gaymon, 2015-08-14 Early in our Christian lives we are taught the importance of tithing and making offerings It is a way to show our love for God and desire to live in faith under his rules But do we really know the background and importance of the call to tithe Dr J Gayle Gaymons *Beyond Tithes and Offerings I AM the God of Recompense* takes an in depth look at the principle of tithes and offerings under the Mosaic Law Scriptural references are provided to support her conclusions She considers the question If there is no longer Jew or Gentile and you are grafted into Gods redemptive plan does He require anything less from you The author also discusses what it means to be wholly or partially in the body of Christ and how it relates to being called a Christian You will also learn what else it takes to be a true Christian *Beyond Tithes and Offerings I AM the God of Recompense* will expand your faith knowledge which will help you become a better servant for God

Beyond Tithes and Offerings Michael L. Webb, Mitchell T. Webb, 1998 Michael and Mitchell Webb look at the practice of tithing as practiced in many churches and contend that this traditional practice actually hinders true Christian responsibility especially to the poor and needy *Beyond Tithing* Stuart Murray, 2011-12-19 Tithing is biblical but not Christian So asserts Dr Stuart Murray in this radical examination of the contemporary practice of tithing in which the author comes to some surprising conclusions Stuart Murray clearly explains tithing in the Old Testament and in Christian history but then probes further asking penetrating questions such as Is tithing Christian Did Jesus tithe Does tithing function as a regressive tax burdening the poor while the rich get richer Does tithing lead to a legalistic approach that alienates us from Jesus The author suspects that a lot of the current lack of interest in the church stems from deep seated memories of the church as oppressive uncreative and money grabbing In response we should therefore learn not to calculate percentages but explore creative ways of developing communities of justice and generosity that are good news to the poor *Beyond Tithing* will stimulate your thinking and challenge the dominant influence of the practice of tithing as the model for Christian stewardship

Beyond Sanctification Candy Holcker, 2007-07 The companion guide to *Beyond Salvation* is a devotional that speaks directly to Gods Church and Army on Earth The work includes encouraging and exhorting works to the Body of Christ Motivation A CHRISTIAN'S PRIMER and BEYOND Jim D. Stuckey, Ph.D., 2011-03-23 Being a Christian involves beliefs and corresponding behavior as specified in the scriptures In this book is instruction in these fundamental truths There aren't many but a knowledge and application of each is critical to living in obedience to God as demonstrated by Jesus Christ and empowered by the Holy Spirit The author did not intend for this work to be the end of further study Rather it should serve as a mere beginning It is a primer of sorts a brief introduction of basic concepts culminating with Salvation the supreme theme of the Bible Throughout Dr Stuckey has referred extensively to scripture to verify his explanations of the meaning of Christianity Of essence is that a disciple of Christ does not have the option to pick and choose what he decides to believe and practice and that love the noun must become love the verb

Eareckson Tada,2016-10-15 There is hardly a person who doesn t know someone dealing with a disability disease chronic illness or other form of personal suffering The Beyond Suffering Bible is the first study Bible to directly address those who suffer and the people who love and care for them From bestselling author singer and radio host Joni Eareckson Tada and the experts at Joni and Friends Christian Institute on Disability the Beyond Suffering Bible is filled with thousands of notes and features that invite readers into a conversation about suffering and its place in each person s life Each feature has been carefully created to provide readers with valuable information meaningful encouragement and challenging applications as they encounter God s Word *Simply Grateful* Regina D. Fowler,2022-01-28 Ephesians 3 20 This scripture is not simply saying God is able to bless us in a great way or with abundance of course He can and does It is telling us that God is able to exceed what we as mere humans consider to be abundance If we think what we have is an abundance then we have fallen short on our understanding of what God can do If we can imagine it then God can exceed it Therefore after the phrase exceeding abundantly comes the phrase above all that we ask or think God does not limit what He can do for us only we can do that according to the power that worketh in us In other words only our level of faith in God limits how far He exceeds our expectations Be clear abundance is not just about how much money or material possessions we have it s more about the peace we can experience amid our abundance *Church and Society in Late Antique Italy and Beyond* Claire

Sotinel,2023-05-31 The papers presented here explore in various ways the interactions between clerics and the society in which Christian churches put down roots in Late Antiquity Some of these complex processes involved in the christianization of the Late Roman world form the theme of the first three sections Amongst other aspects the essays in these sections examine the Three Chapters controversy and the participation of lay and clerical protagonists in it the social standing of Italian bishops including their use of lay personnel and their economic impact and a comparison of pagan and Christian places of worship The essays included in the last section deal with communication in Late Antiquity They present the first

results of a long term project on the changing role of information during the last centuries of the Roman world Eight papers in the volume are published in English for the first time Reformer's Pledge Bill Johnson,Lance Wallnau,Chuck Pierce,Heidi Baker,C. Peter Wagner,James W. Goll,John Arnott,Cindy Jacobs,Lou Engle,Jim Garlow,2010-11-01 Too often Christian leaders trying to reform society are perceived as intolerant right wing conservatives without an ounce of compassion The truth is many people trying to bring about positive societal reformation are very compassionate and loving people The selected writers who contributed to this book are compassionate reformers I am privileged to know each author and consider all of them dear friends Ch Ahn The Reformer s Pledge is an exciting collection of ten essays by the following respected and dedicated Church leaders Bill Johnson James W Goll Lance Wallnau John Arnott Chuck Pierce Cindy Jacobs Heidi Baker Lou Engle C Peter Wagner Jim Garlow With insight and anointing each author presents a clear picture of reforms that need to be made and the kind of actions required by believers to be in step with God s plan Poignant topics include racism love prayer defending the sanctity of marriage and other fundamental issues facing the Church today Each important topic is addressed thoroughly and sensitively in Spirit inspired chapters sure to stir your soul ignite your calling and fulfill your God given destiny
