The Spirit of God spoke to me to write another book after I had completed my first book entitled Soul Survivor I heard the voice of the Lord say write a book about fear back in the year of 2019 not knowing that the world would face a crisis in 2020 through a Coronavirus that would kill thousands of souls This book is equipped to teach you through the power of the Holy Spirit how to live a life of faith instead of fear It will also empower your faith to trust and to believe in the Almighty God It will demonstrate how other people in the bible had to rely on the faith of God to overcome the perils of fear and how they faced many afflictions and trials through opposition but how they became overcomers through maintaining a strong faith

our world and the meaning of Christian faith in ways that cut through the religious jumble and speak to the fears and failings of our time This volume collects sermons by one of that pulpit s most recent preachers Anxiety pain hope and judgement are key themes There are liturgical themes and feasts taken in fresh directions and always an insistence on deconstructing easy answers and pious lingo These are exercises in reading Scripture and reading our lives in ways that speak beyond the borders of religious identity and certainty These sermons draw us deeper into the reality of our own predicaments and fears to discover a presence and power that might surprise and disrupt us and help us to reimagine faith in the modern world
