However there is a dark shadow on their happy horizon in the form of a serial killer who is stalking young gay men in Boston. Even more terrifying is the fact that Andy begins having horrific nightmares in which he is experiencing each victim's death. As a child Andy's mother told him he used to talk to the angels. Does that mean he is psychic? Or is he just going crazy? Matt is a diehard skeptic who refuses to accept a paranormal explanation. The only one who believes Andy is the relentless police detective in charge of the case. But he is battling his own homophobic feelings in his pursuit of the killer and Andy can't help but wonder if he will soon be under suspicion himself. The answer hits closer to home than anyone suspects and Andy must find his strength or lose his very life. *Clive Barker's Short Stories* Gary Hoppenstand, 1994. Unlike other horror fiction and fantasy writers Clive Barker is true to the literary heritage of the genre. Though aware of the importance of entertainment in his writing he embraces the traditional formulas of horror fiction and builds upon them all the while alluding to the works of Dante, Poe, Mary Shelley and others. The complexity of Barker's writing is best evidenced in the six volume *Books of Blood*. Many of these short stories are entertaining hair raisers yet they do not revel in gratuitous violence; instead relying on style and a masterful sense of language to entertain. This detailed study analyzes the significant themes in Barker's writing placing him in the British Gothic tradition of Marlowe, Saki and others.
