Book Of Love Peter Gabriel:

The Book of Love Cynthia Markovitch, 2020-05-17 The Book of Love is a twisted fairytale about a young girl growing up in America searching for the truth in a world of falsehoods only to discover her real identity **Peter Gabriel** Graeme Scarfe, 2024-11-06 If Genesis according to British comedian and fan Al Murray were the progressive rock band who progressed then Peter Gabriel as a solo artist would be the member that progressed the most Who would have thought that listening to early Genesis would eventually take the listener to Senegal Armenia South Africa and beyond via the artistic endeavours of their former vocalist This is a journey through Peter Gabriel s solo albums his live recordings and soundtrack compositions During his forty year plus solo career Gabriel has become a worldwide pop star via his early self titled albums and his seminal 1986 record *So* He has had hit singles throughout his career including the bucolic *Solsbury Hill* in 1977 and the poignant *Don t Give Up* He also helped pioneer video creativity with the song *Sledgehammer* In doing so he has reached beyond his progressive rock origins to achieve a level of popularity and respect that other musicians from that genre could only dream about You may have heard many of these songs before but there s always something new to be found by digging in the dirt This is the perfect guide to his music for new listeners and long term fans alike What on earth is going on In the words of the Burgermeister I will find out Graeme Scarfe was born in the 1960s educated in the comprehensive system in the 1970s and 1980s and graduated from Bournemouth University in the 1990s He has worked as a music journalist sound recordist and stand up comedian He also regularly lectures on Film He wrote the original screenplay for the British Horror film *Lighthouse* and the comedy novel *Seagulls on Speed* which is available from www.seagullsonspeed.co.uk He listens to an awful lot of music and attempts to play the guitar A member of the Writers Guild of Great Britain he is married with two children and lives in Sussex UK **The Magnetic Fields' 69 Love Songs** LD Beghtol, 2006-11-03 A fully illustrated oral history of the Magnetic Fields 1999 triple album *69 Love Songs* an album that was afforded classic status by many almost as soon as it was released LD Beghtol s book is chatty incestuous funny dark digressive sexy maddening and delightful in equal measures It documents a vital and influential scene from the inside involving ukuleles and tears citations and footnotes analogue drum machines and floods of cognac Oh and a crossword puzzle too The centre of the book is the secret history of these tuneful acerbic and sometimes heartbreaking songs of old love new love lost love punk rock love gay love straight love experimental music love true love blue love and the utter lack of love that fill the album as told by participants fans imitators naysayers and others Also included are a lexicon of words culled from the album s lyrics recording details performance notes from the full album shows in New York Boston and London plus rare and unpublished images personal memorabilia and much much more **100 Greatest Cover Versions** Robert Webb, 2013-07-15 Which Blondie Top Five was originally a flop for a West Coast power pop band Who wrote Alice Cooper s 1973 hit *Hello Hurray* and which folk singer first recorded it Who launched their career with a tear and a cover of a little known Prince song *Where was Joe Cocker sitting when he came up*

with the idea of covering With a Little Help from my Friends Everybody likes a good song and a good story The 100 Greatest Cover Versions traces the histories of some of the great songs you may know only as second hand recordings and explores some unusual and creative takes on a few of pop s well known tracks Based on the Independent s popular long running Story of the Song column this collection features previously unpublished pieces alongside fully expanded updated stories Robert Webb details the background to each song how it was written who first recorded it and how it came to be covered and explains how in some cases the cover version has become more popular than the original Artists range from Patti Smith to the Happy Mondays David Bowie to Florence the Machine and Stevie Wonder to Robert Wyatt The book also includes additional further listening suggestions and a bonus track Whether you download rip from CD or stream your music the Ultimate Playlist series provides the perfect accompaniment to your personal compilation The series aims to guide listeners through large and often bewildering back catalogues of the major artists as well as key genres and styles in popular music If you love music and you enjoy knowing more about the history behind some of pop s greatest songs then you will love this book

The Ballad in American Popular Music David Metzger,2017-09-21 The first book to explore the ballad s history and emotional appeal surveying seventy years of the genre in modern America *Who Wrote the Book of Love?* Richard Crouse,1998 The words to Little Richard s Tutti Frutti were initially so risqué they had to be completely rewritten in the hallway of the studio as time was running out before the song could be recorded He wrote the original version while working as a dishwasher in a bus station in Georgia Paul Simon s 1972 hit Mother and Child Reunion takes its name from an elaborate chicken and egg dish served at Say Eng Look Restaurant in New York City Nirvana s huge hit Smells Like Teen Spirit interpreted by music critics and fans alike as an angst ridden cry of teen rebellion actually sprang from a bit of graffiti accusing Kurt Cobain of smelling like an antiperspirant for young women

The Book of Hit Singles Dave McAleer,2001-08 Book Based on the official Top 20 charts from Billboard in the US and NME Music Week in the UK this entertaining book shows at a glance the monthly international status of the hits The fully updated and revised fourth edition lists the charts since they began in January 1954 all the way through December 2000 Each song is listed with artist name and nationality current and previous month s chart position record label weeks on the chart and simultaneous position on the other side of the pond Special symbols indicate million sellers plus artists first and most recent hits All stars and songs are indexed separately making it especially easy to pinpoint any Top 20 hit Includes 200 photos plus new pop trivia and star gossip

Sight and Sound ,2005 **Billboard** ,1986-07-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Fish Tales: Complete 4-Book Set: The Man I Love/Give Me Your Answer True/Here to Stay/The Ones That Got Away* Suanne Laqueur,2017-07-24 Anthology containing The Fish Tales Omnibus The Ones That Got Away
