But it's often difficult to make space for it in our day-to-day existence, especially if we're not at the point yet where creating it is our job. Sometimes we have so many ideas it's difficult to keep them all organized, much less maintaining a creative schedule or dedicated workspace. With all the clutter overwhelming your scattered brain, not to mention your desk, it's all too easy to fall into procrastination and disarray. *From Chaos to Creativity* is a series of glowing beacons. Jessie L. Kwak has written a *Getting Things Done* for artists and writers, drawing on her experience as a professional copywriter with a novel writing habit and from interviews with other authors, artists, musicians, and designers to teach you how to focus on the good ideas, manage your project, make time in your life, and execute your passions to completion. Make great art by channeling your chaotic creative force into productive power and let the world see what you're capable of.
