Darlene Cohen

Arthritis Stop Suffering Start Moving:

Arthritis--stop Suffering, Start Moving Darlene Cohen,1995-01-01 A certified healing teacher and therapist shares her self healing knowledge and the movement therapy program that brought her back to a fully functional life after being severely debilitated by rheumatoid arthritis at the age of thirty five
Simultaneous Turning Suffering Inside Out Darlene Cohen,2002-10-08 This practical down to earth and very wise guide to awakening offers a Zen based approach to coping with physical psychological and spiritual pain Jack Kornfield Darlene Cohen discovered the secret to finding happiness in the midst of debilitating pain She shares her knowledge in her popular workshops and now in this book Cohen who has suffered from rheumatoid arthritis for eighteen years was hobbling painfully to her local Zen center one day when she made a discovery that changed her life if she focused on the foot that was in the air rather than the one that was hitting the pavement her stamina increased enormously It was the beginning of a completely different approach to the crippling pain that had beset her for so long As she demonstrates here this approach can be expanded to all types of pain physical psychological and spiritual Cohen a certified massage and movement therapist and Zen teacher proposes a radically liberating alternative to the usual desperate search for pain relief paradoxically she says release from suffering lies in paying closer attention to it When we keep pain at bay we keep pleasure at bay too The two are interdependent and our ability to experience each is totally dependent on our understanding of the other Enrich your life exponentially Cohen advises If your pain is one of the ten things you are aware of then it constitutes a tenth of your total awareness Expand your awareness to a hundred things however and your pain is only a hundredth of your awareness With stories strategies exercises and an awareness born of long Zen practice Cohen shows us how to tap into that enrichment and how we can lead a satisfying and even joyful life in the very midst of pain
