

HOW MUCH DOES A PARKING GARAGE COST? WE'RE GLAD YOU ASKED.

As the parking experts, FINFROCK's teams provide immediate feedback on cost ranges and tailor our project designs to reach your goals because we know the best value we can provide is assisting you in determining your ROI.

We don't just look at the components of functionality, technicality, or structure individually, but rather act as your business consultant to help you plan the building you need to fit within your budget.

Provided we have input on the program requirements, geotechnical information, property constraints, and a few weeks, we can guarantee a competitive construction price without a full set of plans at little to no cost to you.

Answer just 6 questions to get your estimate started at www.finfrock.com/parking.

With all teams working together under one roof for your parking project, FINFROCK's business model offers owners several strategic benefits:

In-house design delivers a guaranteed price upfront

Reduced risk through single-source responsibility

Faster time to market with accelerated schedules made possible through in-house design, manufacturing and construction

Lower costs through a homogenous structural system

Proven design and construction details guarantee the lowest continuing maintenance costs in the industry
