## **Art And War Hardcover:**

The Art of War Sun-tzu, 2003-08-26 A stunning Penguin Classics Deluxe Edition of the world's most famous military treatise by the award-winning translator of the Tao Te Ching and the I Ching. For more than two thousand years Sun Tzu's *The Art of War* has provided leaders with essential advice on battlefield tactics and management strategies. An elemental part of Chinese culture, it has also become a touchstone for the Western struggle for survival and success, whether in battle, in business, or in relationships. Now, in this crisp, accessible translation, eminent scholar John Minford brings this seminal work to life for today's readers. Capturing the literary quality of the work, Minford presents the core text in two formats: first, the unadorned ancient words of wisdom ascribed to Sun Tzu; then, the same text with extensive running commentary from the canon of traditional Chinese commentators. A lively, learned introduction and other valuable apparatus round out this authoritative volume. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*The Art of War* Sunzi, 1994-02-11 The definitive translation of Sun Tzu's timeless classic of military strategy. *Art of War*. *Art of War* is almost certainly the most famous study of strategy ever written and has had an extraordinary influence on the history of warfare. The principles Sun Tzu expounded were utilized brilliantly by such great Asian war leaders as Mao Tse-tung, Giap, and Yamamoto. First translated two hundred years ago by a French missionary, Sun Tzu's *Art of War* has been credited with influencing Napoleon, the German General Staff, and even the planning for Desert Storm. Many Japanese companies make this book required reading for their key executives. And increasingly, Western businesspeople and others are turning to the *Art of War* for inspiration and advice on how to succeed in competitive situations of all kinds. Unlike most editions of Sun Tzu currently available, many simply retreads of older, flawed translations, this superb translation makes use of the best available classical Chinese manuscripts, including the ancient tomb text version discovered by archaeologists at Linyi, China. Ralph Sawyer, an outstanding Western scholar of ancient Chinese warfare and a successful businessman in his own right, places this classic work of strategy in its proper historical context. Sawyer supplies a portrait of Sun Tzu's era and outlines several battles of the period that may have either influenced Sun Tzu or been conducted by him. While appreciative of the philosophical richness of the *Art of War*, this edition stresses Sun Tzu's practical origins and presents a translation that is both accurate and accessible.

*The Art of War* Sun Tzu, 2002-01-01 Widely regarded as *The Oldest Military Treatise in the World*, this landmark work covers principles of strategy, tactics, maneuvering, communication, and supplies the use of terrain, fire, and the seasons of the year; the classification and utilization of spies; the treatment of soldiers, including captives; all have a modern ring to them.
