these events engaging in story arcs of their own that may put them at the centre of the galaxy alongside the heroes of the television show This sourcebook also includes the main personalities found on board Babylon 5 updated from those that appeared in the main rulebook in 2258 as well as featuring a few new faces New rules additions equipment and vehicles are also featured expanding the Babylon 5 roleplaying game no matter where or when the Games Master chooses to set his story arcs and campaigns The year 2258 set the scene for players new to the Babylon 5 roleplaying game The Coming of Shadows will elevate games to new levels of passion and excitement as players begin to discover just who the real powers in the galaxy are
