Mafia Boss's Chosen Bride Jolie Damman, I m his bride He wants to control every aspect of my life and doesn t tolerate defiance A marriage ring a beautiful white dress and a kiss that I don t like that seals our lives together it s all I still remember Just being near such a tall seemingly perfect man is enough to make shivers run down my spine Yes I m scared of him Yes he thinks I m his possession but I also feel something else for him Something stronger than all those things combined A love that I don t want to admit is within me He keeps me protected buys me everything I want always looks into my eyes with respect because he knows I m different Our wedding was arranged but as the days go by I start to find out he might just be the man I ve always dreamed about And if someone ever threatens me he wouldn t hesitate to destroy them Mafia Boss s Chosen Bride is a huge collection of 15 BWWM romances plus an extra dark mafia novel If you re looking for books that deeply explore arranged marriages secret babies and captive lovers take a peek This bundle contains the following series Alpha Predators Greedy Alphas Ruthless Mafiosos and the extra story Used by the Mafia Boss *Campfire Cooking in Another World with My Absurd Skill: Volume 1* Ren Eguchi,2019-05-06 Mukouda Tsuyoshi was nothing special in modern Japan so when he was summoned to a world of swordplay and sorcery he thought he was ready for the adventure of a lifetime Too bad the kingdom that summoned him only got him by mistake Not only was he not one of the three summoned heroes but his stats were laughable compared to theirs On top of that there s something really sketchy about this kingdom Ah these people are the kind to try and use the Hero he realized and immediately left to make his own way in this other world The only thing Mukouda can rely on is his unique skill the Online Supermarket a skill that allows him to buy modern goods in a fantasy world It s useless for combat but if he plays his cards right he could lead a comfortable life maybe At least that s what Mukouda thinks but it turns out modern food bought with this skill has some absurd effects What happens when Mukouda introduces ridiculously tasty modern cooking to a fantasy world like this He gets some ridiculous repeat customers begging for more **Forever Home Within ~ 360 Degrees** Vanessa Bunting,2022-12-13 This is a true story about finding a forever home feathering that nest then feeling at peace within one self The search is over and a new life has begun for Vanessa her husband and four cats in the beautiful English countryside As this next phase of life gets underway there s the inevitable highs and lows mysteries and laughter involved at every single turn Apart from moving to an unknown area away from family and friends with limited funds and no jobs there s still a sense of freedom and flying high So what could possibly go wrong when the pull of intuition that all will be well remains stronger and more convincing than the panoramic vision showing all the surrounding stumbling blocks Better fetch some biscuits and get yourself comfy *Junkyard Blues* Al Moye,2013 In Cameroon life isn t only like living in limbo it is like living in the very centre of a hellish junkyard where dreams are dumped and wishes shattered at will by forces which can barely be controlled or understood It is in this junkyard of dreams that Jude Maimo finds himself after years of studies and obtaining a university degree that could not even procure

him a decent job Reluctantly living under his brother's care after having failed grossly in an attempt to be independent and doing a job that is more than an insult to him he still hopes to one day live his simple dream furthering his education long enough to have a respectable and decent job that could make him truly independent Entangled in a relationship he can barely understand and weighed down by the daily temptations of natural life a long lost friend from back in his school days suddenly appears as a light to lead him to the end of the tunnel But a little too late he discovers that the promised light of salvation is just another face of darkness a darkness that wants more than his soul a darkness that can only lead to tragedy
