Kleinplatz,2012 New Directions in Sex Therapy Second Edition focuses on cutting edge therapy paradigms as alternatives to conventional clinical strategies It expands the definition of our field and is intended for anyone who deals with sexual issues and concerns in therapy clinicians of every kind novices and advanced practitioners rather than only those who define themselves as sex therapists **Correctional Counseling and Rehabilitation** Patricia Van Voorhis,Emily Salisbury,2013-05-21 This text presents foundations of correctional intervention including overviews of the major systems of therapeutic intervention diagnosis of mental illness and correctional assessment and classification Its detailed descriptions and cross approach comparisons can help professionals better determine which of several techniques might be especially useful in their particular setting Provides a clear and comprehensive picture of current approaches for treating and rehabilitating correctional clients Fits major paradigms of psychotherapy to the unique needs of offenders

Describes tools and skill sets essential for the correctional counselor Includes key concepts and terms and discussion questions in every chapter Features a new chapter on treating women offenders based on the authors considerable expertise in that area

Correctional Counseling and Rehabilitation Emily J. Salisbury, Patricia Van Voorhis, 2022-05-17 This text presents the foundations of correctional treatment and intervention including overviews of the major therapeutic modalities that are effective when intervening with justice involved individuals to reduce ongoing system involvement and improve well being The text also focuses on diagnosis of mental illness correctional assessment and classification case planning strategies and the necessary counseling and human service skills for working alongside system involved people Specific chapters focus on working with women individuals struggling with substance abuse and clients with severely antisocial behavior such as psychopathy Written to help students prepare for a career in correctional counseling or forensic social work the book also assists working professionals e g institutional and community corrections staff to determine which strategies might be most effective with their clients Revised using person centered language the tenth edition includes a new chapter focused on the necessary relational skills that probation and parole officers must have to be agents of behavior change The content is divided into four parts 1 A Professional Framework for Correctional Counseling 2 Client Assessment Diagnosis Classification and Case Planning 3 Contemporary Approaches for Correctional Counseling and Treatment and 4 Effective Correctional Interventions for Special Populations This book is appropriate for upper level undergraduates and graduate students in Criminal Justice and Criminology Psychology and Social Work programs as well as correctional practitioners looking for professional development to enhance behavior change among clients

Pastoral Counseling: A Ministry of the Church John H. Patton, 2002-08-27 Pastoral counseling is unique and John Patton widely known practitioner and teacher explains that uniqueness in the context of other forms of therapy available He then determines what pastoral counseling is and how it is done His theory focuses on the centrality of the pastoral relationship reclaiming pastoral counseling as a legitimate ministry of the church He shows that the pastoral relationship is common to both the generalist and the specialist in counseling and explains how his concept of relational humanness is the norm for Christian pastoral counseling The accountability of the pastoral counselor in regard to the story of Jesus in terms of his her role and function as minister and in relation to the community the church which ordains and the peers in ministry is discussed How to structure a pastoral counseling interview how to determine the unit of care and how healing occurs in pastoral counseling are all important facets of this excellent book Case studies an index and notes are included

Supervising the Counsellor and Psychotherapist Steve Page, Val Wosket, 2014-07-17 Supervising the Counsellor and Psychotherapist considers how to meet the supervision needs of trainee and experienced counsellors psychotherapists and other helping professionals using an integrative approach that will appeal to practitioners from a broad range of backgrounds and theoretical persuasions The book charts the development of the supervisor as he or she moves through making the transition from therapist to supervising the work of others and includes

consideration of the advanced competencies required to supervise experienced practitioners This third edition brings a number of contemporary perspectives to a well known and widely respected core text for the training and development of supervisors The Cyclical Model at the heart of the book has established its relevance in the UK as one of the best known frameworks for teaching and learning the steps and stages of supervision All chapters in this new edition have been extensively revised and updated and key elements include Two brand new chapters on deepening supervision practice and moving beyond supervising counsellors and psychotherapists Updates on recent developments in supervision including research outcomes the use of technology and supervising short term work Creativity play and the use of metaphor and imagery in supervision Developing the use of self through relational supervision Supervising the Counsellor and Psychotherapist is a key text for trainee and experienced supervisors of counsellors and psychotherapists those who train supervisors and supervisees wishing to better understand the supervisory process Supervising the Counsellor Steve Page,Val Wosket,2013-03 Provides an excellent framework for organising the supervision process as well as clear guidance for those seeking competent supervision in counsellor training **The Shadow and the Counsellor** Steve Page,2002-09-11 The Shadow and the Counsellor introduces the concept of shadow the darker side to ourselves that we do not wish to acknowledge or do not even recognise It examines how it comes into being and explores its impact within counselling The Shadow and the Counsellor is structured around a six stage model which is designed to help the counsellor recognise confront and deal with their shadow side This can then be a framework for reflection and practical action With case studies including short clinical examples to longer examples running through the book this will give counsellors a new way of approaching their practice
