Democracy Hacked Martin Moore, 2018-09-27 Technology has fractured democracy and now there's no going back All around the world the fringes have stormed the palace of the elites and unleashed data miners dark ads and bots on an unwitting public After years of soundbites about connecting people the social media giants are only just beginning to admit to the scale of the problem We stand on the precipice of an era where switching your mobile platform will have more impact on your life than switching your government Where freedom and privacy are seen as incompatible with social well being and transparency Where your attention is sold to the highest bidder Our laws don't cover what is happening and our politicians

don't understand it. But if we don't fight to change the system now we may not get another chance. **YouTube Formula Secrets** Tony Walker, 2022-09-05 YouTube has grown into an influential social media platform. What started out as a fun medium of introducing the world to three-dimensional interaction has now turned into a powerful tool of marketing. Just like in every other social media channel, the secret to success is getting a following or audience to broadcast your videos to. The more views you get, the more popular your videos will be, and the greater success you will have in ranking highly in the search results. Nowadays, people do not just go on YouTube to watch some funny clips of people falling down, cute cats purring, or babies hilariously laughing. It has grown into an extensive platform for the distribution and exchange of valuable information from make-up tips, cooking, to practically anything under the sun. It offers a variety of channels and videos that provide entertainment, curiosity, amazement, and learning. YouTube is now known to be a great way to be famous and earn money just by making videos from the comfort of your bedroom. Some of today's well-known YouTube personalities became millionaires because of their being successful at establishing and building their channel and fan base. We hope that by learning the strategies mentioned in this book, you will be able to put them into practice and start working your way up to building your career and hopefully, someday, you too could earn a lot of cold hard cash by becoming the next YouTube star. Good luck.
