Troublemaker Andrew Clements, 2012-03-13 Andrew Clements s latest novel about mentors role models and choosing friends examines the fine line between good humored mischief and dangerous behavior and how everyday choices can close or open doors There s a folder in Principal Kelling s office that s as thick as a phonebook and it s growing daily It s filled with the incident reports of every time Clayton Hensley broke the rules There s the minor stuff like running in the hallways and not being where he was suppose to be when he was supposed to be there But then there are also reports that show Clay s own brand of troublemaking like the most recent addition the art teacher has said that the class should spend the period drawing anything they want and Clay decides to be extra creative and draw a spot on portrait of Principal Kellings as a donkey It s a pretty funny joke but really Clay is coming to realize that the biggest joke of all may be on him When his big brother Mitchell gets in some serious trouble Clay decides to change his own mischief making ways but
