## **Angelophanies Hidden Kings:**

*Angelophanies* Laurence Sibilly, 2013-10 In the Beginning there was Darkness and then there was Light As Michael and Lucifer oversee and orchestrate the construction of Creation the discarded Darkness hungers and schemes Only Samael willingly interacts with it offering companionship in exchange for compliance However feeling betrayed and rejected the Darkness turns on Samael attempting to consume him which surprisingly results in a merger birthing a new entity The Dark Angel Ultimately corrupting other angels Samael raises an army and goes to war against Heaven's forces on two separate occasions and is repelled by Lucifer each time Then for his hubris Lucifer is exiled to Hell leaving Creation seemingly defenseless against the dark one's inevitable return Fortunately throughout time and space a multiplicity of events unfold including the creation of Adam Lilith and Eve and the agony of their union amidst the complexities of Eden a merchant's confrontation with Christ at the Crucifixion and a dying soldier bartering his soul during the Vietnam war all add to the simmering chaos that threatens to bring about Armageddon Our only hope lies with the prophecy of the Hidden Kings whose celestial calling is often concealed within the ignoble folds of human flesh *Creative Imagination in the Sufism of Ibn Arabi*

Jesus death and resurrection 1 Corinthians 15 and the narratives in the four canonical gospels As a framework for this commentary Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists namely the formula Christ died Christ was buried Christ has been raised Christ appeared The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation Bryan also considers various theological and ethical implications of accepting the claim Jesus Christ has been raised from the dead Throughout his study Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace
