Angels True Stories Of How They Touch Our Lives:

Angels Hope Price,1994 Angels offers evidence that these messengers from God do intervene in our lives carrying out practical missions of mercy and comfort Hope Price has gathered the testimonies of hundreds of people to whom angels have miraculously appeared sometimes in human form sometimes as beings shimmering with light Angels have been seen to rescue children and adults from disaster give early warning of impending tragedy and offer protection in times of fear danger and bereavement And always they leave behind a sense of divine peace *Angels* Hope Price,1993 Seeing Angels - True Contemporary Accounts of Hundreds of Angelic Experiences Emma Heathcote James,2009-05-04 Emma Heathcote James has analysed over 800 such accounts for her PhD into Contemporary Experiences of Angels Hundreds of people have claimed to have experienced visions of angels These people are not crazy new aged loonies but ordinary people from all walks of life from professionals to prisoners to children This absorbing book the product of painstaking research gets to grips with the issues surrounding these strange manifestations What do they mean How do we know that we ve seen one When are they seen The weight of the evidence may well lead you to adjust the way you have previously considered the supernatural *A Simple Guide to Experience Miracles* J. P. Moreland,2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God s miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic **Angels** Andy Angel,2012-06-01 If

you think you know all about angels think again Although the modern Western world claims to have left angels behind as mythical creatures they are back in popular culture And much of what people are thinking exploring and believing about them finds its roots in ancient Jewish and Christian beliefs Andrew Angel opens up the surprising world of angels to interested enquirers through an examination of the ancient Jewish and Christian texts in which they are found He asks questions about what angels have to do with religious ecstasy surviving suffering and politics among other things finding surprising and sometimes controversial answers Informed by the latest scholarship yet accessible to all this book provides a well researched and thought provoking introduction to angels **In the Shadow of his Wings** Jonathan Macy,2011-07-28

Historically angels have been viewed as either disconnected objects of speculative investigation or as mystifying beings mysteriously influencing our lives However this is not how the Bible describes them Scripture in sober and straightforward terms simply describes what angels do It is a practical depiction a pastoral presentation We see messages of encouragement revelation and guidance we see judgment and correction we see strengthening we see journeying we see prayer and worship The biblical focus concerning angels is on ministry to the people of God Angels are one way that God intervenes in human affairs in response to pastoral concerns or problems Created to minister angels are best understood not using speculative or detached theology but through applied and pastoral lenses Using only Scripture and a classic model of pastoral theology as the framework this book shows practically how angels are employed by God to bless his church and people as his servant ministers who glorify him alone The Sacred History Mark Booth,2017-05-16 Epic story of human interaction with angels and other forms of higher intelligence starting from Creation all the way through to the operations of the supernatural in the modern world What emerges is an alternative history of great men and women guided by angels or demons and the connection between modern day mystics and their ancient counterparts This spellbinding historical narrative brings together great figures such as Krishna Moses Buddha Elijah Mary and Jesus and Mohammed and stories from African Native American and Celtic traditions Woven into this is an amazing array of mystical connections including the surprising roots not only of astrology and alternative medicine but also of important literary and artistic movements aspects of mainstream science and religion and a wide range of cultural references that takes in modern cinema music and literature Amazon com **Divine Intuition** Lynn A.
