Angry Parents Failing Schools:

Angry Parents, Failing Schools Elaine K. McEwan-Adkins, 1998 Elaine McEwan a former teacher principal and district administrator writes about the subtle changes in teaching and curriculum in today's public schools that have resulted in an overthrow of education as we have known it o Dealing with Difficult Parents Todd Whitaker, Douglas Fiore, 2013-08-16 This book helps teachers principals superintendents and all educators develop a repertoire of tools and skills for comfortable and effective interaction with parents It shows you how to deal with the parent who is bossy volatile argumentative aggressive or maybe the worst apathetic It provides specific phrases to use with parents to help you avoid using trigger words which unintentionally make matters worse It will show you how to deliver bad news to good parents how to build positive credibility to all types of parents and how to foster the kind of parent involvement which leads to student success

Dealing with Difficult Parents (Teacher Edition) Todd Whitaker, Douglas J. Fiore, 2025-11-13 Communicating with parents is one of the most challenging and potentially stressful tasks that educators face daily Whether trying to resolve a heated argument or delivering bad news it is essential to know how to handle difficult situations and establish positive relationships with your students parents In this updated third edition of the bestselling book *Dealing with Difficult Parents* award winning educators Todd Whitaker and Douglas J. Fiore help you develop a repertoire of tools and skills for comfortable and effective interaction with parents The book's features include how to get parents off our backs and on our sides why and how today's parents are different yet the same how the political environment make our jobs more challenging numerous additional examples of specific ways language and approaches to effectively work with parents tools to help you understand parents motivations and how to work with them rather than against them detailed scripts for dealing with even the most stubborn and volatile parents and strategies for initiating contact with parents to build positive credibility This must read book will equip you with the skills you need to expertly navigate even the most challenging encounters with parents and walk away feeling that you have made a positive and meaningful impact *Dealing with Difficult Parents (School Leader Edition)* Todd Whitaker, Douglas J. Fiore, 2025-11-19 This school leader's edition of *Dealing with Difficult Parents* is designed to help you with the specific challenges you face as a school leader when dealing with parents The companion teacher's edition shows your teachers and other educators how they can communicate with parents more effectively But with this administrator's version you'll learn how you as a leader can and must support and coach teachers along the way You'll uncover how to make sure your teachers understand the families they're dealing with help your teachers communicate effectively with parents by being positive and proactive so problems don't escalate to the main office establish expectations for dealing with parents so teachers understand how to be appropriate even when a parent is not deal with challenging situations when the teacher is difficult or the teacher is in the wrong ensure your teachers feel supported by you when they're dealing with difficult parents and help teachers become more confident and empowered in challenging situations With these practical books you'll be able

to get parents on your side so they can become a positive force in your school's success *Changing the Puerto Rico Public Education System from Ground Up* Dr. Edgar León, 2014-10-23 The book is a report of all the issues conditions and real testimony found in the public school system during a two year period **The Watchman's Rattle** Rebecca Costa, 2010-10-12 Why can't we solve our problems anymore Why do threats such as the Gulf oil spill worldwide recession terrorism and global warming suddenly seem unstoppable Are there limits to the kinds of problems humans can solve Rebecca Costa confronts and offers a solution to these questions in her highly anticipated and game changing book *The Watchman's Rattle* Costa pulls headline for today's news to demonstrate how accelerating complexity quickly outpaces that rate at which the human brain can develop new capabilities With compelling evidenced based on research in the rise and fall of Mayan Khmer and Roman empires Costa shows how that tendency to find a quick solutions leads to frightening long term consequence Society's ability to solve its most challenging intractable problems becomes gridlocked progress slows and collapse ensues A provocative new voice in the tradition of thought leaders Thomas Friedman Jared Diamond and Malcolm Gladwell Costa reveals how we can reverse the downward spiral Part history part social science part biology *The Watchman's Rattle* is sure to provoke engage and incite change *Something Is Terribly Wrong* Howard I. Chud, 2009-03 The author identifies problems in teaching today's students and advocates for sweeping reforms to the educational system **Asperger Syndrome in Adolescence** Liane Holliday Willey, 2003-01-01 Reflecting the views of parents professionals and those with AS themselves this book tackles issues that are pertinent to all teenagers such as sexuality depression and friendship as well as topics like disclosure and therapeutic alternatives that are more specific to those with AS This book is an essential survival guide to adolescence *The People Shall Rule* Robert Fisher, 2009-10-16 With the election of a community organizer as president of the United States the time is right to evaluate the current state of community organizing and the effectiveness of ACORN Association of Community Organizations for Reform Now Since 2002 ACORN has been dramatically expanding and raising its national profile it has also been weathering controversy over its voter registration campaigns and an internal financial scandal The twelve chapters in this volume present the perspectives of insiders like founder Wade Rathke and leading outside practitioners and academics The result is a thorough detailing of ACORN's founding and its changing strategies including vivid accounts and analyses of its campaigns on the living wage voter turnout predatory lending redlining school reform and community redevelopment as well as a critical perspective on ACORN's place in the community organizing landscape *Handbook of International Research in Mathematics Education* Lyn D. English, David Kirshner, 2010-04-02 This book brings together mathematics education research that makes a difference in both theory and practice research that anticipates problems and needed knowledge before they become impediments to progress
