Botulism Deadly Diseases And Epidemics:

Botulism Donald Emmeluth, I. Edward Alcamo, 2006 Botulism is a paralytic illness caused by a nerve toxin if left untreated it can result in death due to respiratory failure

Biological Weapons DR. U C Jha, Dr K Ratnabali, 2021-02-01 The threat of biological weapons has been worrying about the armed forces as well as political leaders for quite some time With the global recorded deaths from COVID 19 surpassing one million the biotechnological revolution has heightened the fear of future weaponized pathogens The COVID 19 virus or its variant could be the most effective weapon for future biological warfare The indiscriminate effect of such a weapon and its power to cripple economies and devastate the lives of people may make it attractive to rogue States and non State actors This book provides an updated analysis of biological warfare agents including the COVID 19 virus biotechnological developments affecting biological agents and the legal regime responsible for preventing the use of biological weapons

Homeopathy for Epidemics Eileen Nauman, 2004-08-01 Homeopathy s philosophy is like cures like By potentizing a remedy through a series of dilution steps only the energy signature of the original substance is eventually left in the alcohol carrier Quantum physics will one day be able to explain why water has memory similarly homeopaths know that each remedy has its own unique frequency whether there are molecules of the substance left or not The homeopathic community knows that in the past homeopathic remedies have made the difference between life and death during global epidemics It is my hope that you will pass the information in this book along to your relatives and friends It might be the greatest gift you ever give them information that can save their lives
