THE ME CHANGE....AND THE MODERN MANNERS ADVANTAGE Anthony Beringen,2012-02-15 Lured by the promise of a brand new life some people move to a quaint hamlet by the sea Others are attracted by the peace and quiet of open green fields fresh air blue skies and the wholesome lifestyle promised by a rural life in the countryside THE ME CHANGE is about a relocation of a completely different kind It s about a clever adjustment to your inner thought processes to focus more clearly on what you can do better to cope with what s happening in the chaotic aggressive and digitally enhanced world around you on the outside Modern manners represent the precision tools contained within your ME CHANGE toolbox They are the skills habits and overall social finesse that give you the lasting confidence to interact intelligently and in a much more effective way They are simple yet proven strategies to reshape your personal brand as they help you transition from being merely socially functional to a higher state of being socially effective Do something great for yourself today and make a ME CHANGE Reduce stress change gears and embrace a new direction to improve the overall quality and happiness of your life There is a new modern manners advantage in town and it has nothing to do with which fork you use **Superstar Signs**
