Angels Among Us Ron Rhodes,2008-01-01 With stories of angelic encounters all around us Reasoning from the Scriptures Ministries president Ron Rhodes delves into the biblical truth about these heavenly beings Some current reports are so utterly remarkable they have captured widespread attention Curiously however many of these seemingly celestial visitors have little in common with the angels of the Bible Angels are very much involved in our lives today of that we can be certain But when it comes to angels how can we tell what is real and what isn't Angels Among Us provides solid biblically based answers to pressing questions through a fascinating and highly inspirational tour of God's Word Readers will discover who angels are what they are like what they do and most exciting of all the ministry they have today This book has sold nearly 150 000 copies and now boasts an updated cover to bring its balanced message to new readers **Angels** Jacqueline Howard,2010-12-10 Jacqueline Howard offers an insightful and detailed look into the existence of these celestial beings and bolsters her conclusions with sound biblical information The book Angels begins by defining angels and contrasting the biblical description of these beings to the commercial images that are prevalent in the 21st Century Howard cites many scriptural references that support their existence To know an angel may require one to suspend one's judgment and reason open up one's heart and mind to the wondrous possibilities that many only dream about A person may be comfortable with his or her own private thoughts about angels but may be reluctant to discuss these supernatural spirits with a friend After all what physical proof is there Is it illogical to fathom the idea of angels Who believes that heavenly beings are helping us Scripture leads us to have faith and believe read John 20:29b KJV which states blessed are they that have not seen and yet

have believed **Angels** George J. Marshall, 2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility **The Truth About Angels** Terry Law, 2013-07-29 Christians and non Christians alike are encountering angelic beings more than ever but what does Scripture say about the appearance of angels In this revision of his eye opening book Terry Law presents fascinating biblical truths about both God s angels and evil angels while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings Exploring many real life stories of experiences with angels Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind The Truth About Angels will answer What are angels and where did they come from Are angels appearing more frequently around the world Do you have a guardian angel Are angels involved in healings or the working of miracles How do angels and the Holy Spirit work together Angels Knofel Staton, Leonard Thompson, 2005 *Mending the Soul* Steven R.
