Angels Watching Over Me Odyssey:

Odyssey in Love Robert A. Young, 2013-03-15 *Odyssey in Love* is a fascinating documentary of two madly in love Catholic Christian souls who became one in spirit and who are attempting to follow God's will for their lives. The forty seven year story of Bob and Mary Young as related in their boring annual Christmas letters and family photos provides a laugh out loud recollection of co creating and raising nine children and by proxy twenty five grandchildren so far Bob and Mary believe that this brief earthly journey is an adventure in God and with God and that by doing His will in this life they will join Him and their loved ones in an eternal adventure of divine love in the next life. Their Christmas story highlights that conviction *Odyssey in Love* reflects the Light that emanates from our Father in this age of moral darkness and fills each of us with a burning hope and expectation that we too will fulfill our destiny and experience fully our adventure in the Son who is the Way the Truth and the Life

Taking Hold of Eternal Life Paul Bird, 2022-02-14 The most important event of my life occurred during July 1969 when as an atheist I had an abrupt and totally unexpected encounter with the living God of the universe. Believing I was thus born again from spiritual death and became by

God's grace a new creation Since then I have been involved in a number of ministries traveled much lived in various countries My life has been exciting though not without sadness and tragedy When I encountered God I was a cynical hard bitten sarcastic sophist By His wonderful grace He has made me a hopefully productive member of His kingdom My consuming interest is to introduce others to the God I know For this is eternal life Taking Hold Of Eternal Life 1 Timothy 6:12 is what I did after God confronted me on the weekend of my 34th birthday July 27 1969 This book tells what led up to that momentous event and then what followed as God in His mercy delivered me from atheism and immediately plunged me into Biblical revelation and ministerial involvement in His kingdom As the account of my life walking hand in hand with Him shows in the pages of this book God used me in each of the five callings listed in Ephesians 4:11 Over the course of forty five years God has had me involved in numerous churches various ministries which has resulted in the comments and articles that are also contained in this book I pray that God uses this book to bless you greatly

The Lord and The Weedpatcher Samuel D. G. Heath Ph. D., 2009-08 Throughout my life The Lord has been my constant guide and companion and along the way I have found He has a sense of humor some of which I disclose in these pages Another thing no matter how far I have drifted from the straight and narrow The Lord remained with me along with attending angels and love does indeed cover a multitude of sins I can only account for my having lived as long as I have on this basis The reader will understand what I mean once getting into this book Along my journey with the Lord I discovered many things one of them being Einstein's famous equation $E=MC^2$ is incomplete because it does not account for life and death yet these remain the two greatest mysteries they have ever been denying us thus far a theory of everything Some years ago I removed from the greater part of society to live in semi seclusion alone with my books and thoughts in a quiet part of the Sequoia National Forest devoting myself to contemplation speculating about many things and committing my thoughts in writing fulltime As a writer and author given to much introspection and fascinated by human behavior nature and our universe it was important to me to simplify my life as much as possible as anyone given to philosophical speculation about many things must That much of

my writing covers some metaphysical thoughts about God angels and demons an afterlife and Biblical stories of origins of prophecies of the End Times and so much more have been absorbing studies as well and I freely share my thoughts about these in this volume

Time to Reconcile Grace Bryan Holmes,2000 Grace Bryan Holmes was born in rural Georgia in 1919 During a troubled childhood she frequently found solace in the black servants who cared for her family part time After the death of one of these servants she resolved to help the woman s surviving children and grandchildren Over the course of her life this commitment altered

her perspective on the racial prejudice so prevalent in her community She shouldered the burden of her growing awareness through many years of service as the wife of a rising Baptist minister until the gradual assertion of the convictions she had formed in silence brought her into direct conflict with prevailing social attitudes her strong willed mother and her husband's congregation Time to Reconcile is a redemptive account of a southern woman's struggle to free herself from the legacies of prejudice parental domination paternalism and class consciousness that had defined her life and constricted her thinking Holmes's vividly detailed and extraordinarily honest recollections offer a refreshingly candid look at the fabric of southern society in the mid twentieth century

Encountering Mystery Dale C. Allison, 2022-07-26 Despite widespread skepticism on the matter a significant number of people today have stories of religious experience moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions How should rationally minded people respond What would your reaction be if someone told you that one night while sitting alone she saw through the window a brilliant light descend from the sky until it was so large that it filled the room and that it radiated a feeling of pure love And what would you say if a friend confided that one night he woke up and could not move felt he was being suffocated and sensed an evil spirit in the room By default in the secular age we are skeptical about anything mysterious or supernatural More likely than not most people would respond to the stories above with embarrassment and concern about the person's grasp of reality or they would attempt to explain them away through rational or scientific means But the truth is that religious experiences like these are not as uncommon as they seem although talking about such experiences often is This is the case even in a faith tradition such as Christianity despite the Bible's numerous accounts of miraculous and mysterious happenings In *Encountering Mystery* noted biblical scholar Dale Allison makes the argument that stories of religious experience are meaningful and not to be marginalized and that we have a moral prerogative to lovingly engage with such stories regardless of whether we have had similar experiences Through a close look at phenomena such as moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions Allison shows how ordinary practices of faith need not be at odds with individual religious experiences Above all he enjoins us to be honest about the persistence of religious experience in a secular age and to make space for those who encounter mystery in their lives
