Mack,2017 Anger and stress affect each of us every day even if we aren t feeling them ourselves we come into contact with people who are But their commonplace nature shouldn t cause us to shrug them away Anger and stress are both destroyers and they must be controlled before they bring devastating harm Mack exhorts us You don t have to be overcome and destroyed by ungodly anger or stress By God s grace you can be an overcomer Of all the resources available to us the Bible contains the most trustworthy and helpful guidance on how to handle ungodly anger and stress Internationally respected and experienced biblical counselor Wayne Mack shows how to turn to God s Word to find help explaining principles that can be adopted for lasting positive change Includes study questions and evaluation materials *Anger & Stress Management God's Way* Wayne Mack,2005 [Overcoming Bitterness](#) Stephen Viars,2021-01-19 Bitterness is a destructive poison yet we all struggle with it sometimes due to circumstances our sovereign God has allowed In a world full of struggle we must take care that difficult circumstances do not feed a bitter spirit within us In this honest and hopeful book pastor and counselor Stephen Viars shows you how to avoid the pitfalls of a bitter heart as you walk through our fallen world When we learn to process bitterness biblically and effectively we can move from life s greatest hurts to a life filled with joy [HEALTH ALONG THE WAY](#) Jane Amelia Smith,2024-12-02 Health is on a continuum One day we have it while the next day it is lost to us Often during times of illness or injury we begin to ask the hard questions Why did this event befall me or my loved one Why did God let this happen Am I hurting because I have sinned and will God heal me if I pray Always the answers lie not so much in the concrete and visible but rather in the spiritual and the invisible The medical health care delivery system can do much to relieve our pain and suffering but the answers to our questions come from God alone Only the Triune God can deliver us from the overwhelming pain and worry that consume us during these times It is through God that we find well being and with well being we can rise above all our circumstances In this book we will explore God s prescription for good health the development of our modern public health care system and how God can use even poor health to guide our souls back to Him
