Anglosaxon And Viking Time:

Everyday Life in Anglo-Saxon, Viking, and Norman Times, 1927 *Everyday Life in Anglo-Saxon, Viking, and Norman Times* Marjorie Quennell, Charles Henry Bourne Quennell, 1927 *Viking Age England* Julian D Richards, 2004-03-25 From shortly before AD 800 until the Norman Conquest England was subject to raids from seafaring peoples from Scandinavia the Vikings However they were not only raiders but also traders and settlers During this period the English state was unified under a single ruler for the first time and Anglo Saxon society underwent great changes Using the latest archaeological evidence from places such as London Lincoln and York the author reassesses the Viking contribution to Late Anglo Saxon England and examines the creation of a new Anglo Scandinavian identity **Everyday Life in Anglo-Saxon, Viking and Norman Times** Marjorie Quennell, 1952 **The Viking Age** Angus A. Somerville, R. Andrew McDonald, 2014-09-22 In assembling translating and arranging over a hundred primary source readings Somerville and McDonald successfully illuminate the Vikings and their world for twenty first century students and instructors The diversity of the Viking Age is brought to life through the range of sources presented and the geographical and chronological coverage of these readings The Norse translations many of them new to this collection are straightforward and easily accessible and the chapter introductions contextualize the readings while allowing the sources to speak for themselves The second edition of this popular reader has been revised and reorganized into fourteen chapters Nearly twenty sources have been added including material on children games and entertainment and runic inscriptions as well as new readings on the martyrdom of Alfeah the life of Saint Findan and the martyrdom of Saint Edmund The reader can be paired for classroom use with its companion volume *The Vikings and Their Age* authored by Somerville and McDonald Together these books provide comprehensive coverage for a course on the Vikings Additional resources such as a detailed bibliography and instructions on reading skaldic poetry can be found on the History Matters website www.utphistorymatters.com **The Viking Age** Russell Andrew McDonald, Angus A. Somerville, 2010-01-01 *Uitgebreide geschiedenis van het volk van de Noormannen die de zee n bevoeren en in de Middeleeuwen West Europa plunderden en deels overheersten* **Age of Wolf and Wind** Davide Zori, 2024-01-02 *Age of Wolf and Wind* provides a new introduction to the Viking Age that capitalizes on recent archaeological discoveries and breakthroughs in the application of analytical techniques from the natural sciences Author Davide Zori an interdisciplinary archaeologist with fieldwork experience across the Viking world delves into key questions of the Viking Age such as the motivations of Scandinavians to board open wooden ships to raid England and cross the North Atlantic in search of new worlds beyond Europe Each chapter offers new conclusions about the Vikings their views on death their raiding tactics their laving feasts their forging of powerful medieval states by juxtaposing evidence from written texts archaeology and new scientific analyses **Book of Viking Age England** Julian D. Richards, 1991 From shortly before AD 800 until the Norman Conquest England was subject to raids from seafaring peoples from Scandinavia the Vikings They were

not only raiders but also settlers and colonizers In this book the author assesses how far local developments responded to these events and discusses rural settlement and economy the growth of towns trade and exchange craft and industry and burial rituals and stone memorials Features almost 100 maps plans reconstructions and photographs **Horse and Rider in the late Viking Age** Anne Pedersen, Merethe Schifter Bagge, 2021-06-11 Papers from a conference Skanderborg 27 28th of June 2019 An equestrian burial from the 10th century with an exceptionally elaborate horse harness was discovered at Fregerslev near Skanderborg in eastern Jutland Denmark in 2012 This formed the starting point for the Fregerslev Research Project initiated by Museum Skanderborg in 2017 Two years later the museum held a conference to present the preliminary results of the project A group of researchers from neighbouring countries were invited to provide a wider international context for a discussion of the social political cultural and religious background of the Fregerslev burial With 21 articles **Horse and Rider in the late Viking Age** presents the outcome of the conference Part I describes the excavation of the Fregerslev burial and its contents The finds particularly the harness fittings and the remains of a quiver of arrows and the results of a wide range of scientific analyses demonstrate what a remarkable burial this once was The excavation methods and documentation procedures the sampling strategies and the following conservation and preservation of the finds give an idea of the many new approaches which may be useful when dealing with a decomposed grave in the future Part II and Part III present new research on 10th century equestrian burials and their significance in contemporary society from a variety of countries across Central and Northern Europe **Saxons versus Vikings** Ed West, 2023-11-28 A witty and concise return to the very beginning of English history England 871 The land is overrun by Vikings the unrelenting impervious bloodthirsty Scandinavian assailants who have instilled terror across early medieval Europe For the kingdom of Wessex prospects look bleak following the deaths of two of their kings one by murdered by arrows the other tortured to death with his lungs ripped out Worse still the Saxons are now led by a young man barely out of his teens more interested in God than fighting for his kingdom But within a matter of years England is transformed Alfred the only English king known as the Great has forced the Vikings out of half of England and his descendants will go on to unite England within the decade The period covered in **Saxons vs Vikings** popularised by TV shows such as *Vikings* and *The Last Kingdom* was one of revolutionary change the creation of England as a nation state the implementation of Alfred's first national law code and the establishment of an education system alongside immense architectural development This fascinating introduction to the early days of England also covers the period before Alfred such as ancient Britain the Roman occupation and the Dark Ages exploring defining historical episodes in English history such as Boudicca King Arthur and Beowulf
