Angsty Romance Books:

Forever and Always Yours Elle Love, 2024-11-07 Get ready for the second and final book in Jennie and Gabriel's angsty forbidden new adult romance. Think steamy soap opera meets Lifetime Movie meets Criminal Minds. She believes I tried to murder her. She thinks I'm capable of causing her pain and it's a cut that goes deeper than any song lyric ever could. Months in a cell have played havoc on more than just my mind. This scar. It changed my voice. Extinguished my song. What's a rockstar without melodies to sing a voice to share them with the world. It's a dark bitter pill to swallow and seeing her the only one I've ever truly wanted in the arms of another man. It's a whole new level of hell. Her battle with the shadows of her memories isn't the only storm we're facing. Another vicious attack is threatening to shake our world to its core. I'm finding myself drawn into a complicated dance with her best friend but my mind. It's all her. Always her. The music may have fallen silent but my feelings for her are louder, more intense than ever. I have to win her back and unravel the mystery of who is trying to rip our worlds apart. The spotlight is glaring, the stakes are sky high and every moment counts. [Regretting Gabriel](#) Anna Brooks, He was the bad boy of rock n roll, cocky, reckless and infamously short tempered. I was just a librarian in a small town who could only dream about the sexy musician noticing her. But when that dream became reality, nothing could have prepared me for what was to come. I never thought he'd know my name, never imagined how safe I'd be in his arms and I couldn't begin to fantasize about how beautiful he'd make me feel. He was my protector, my reason, my calm before the storm but nothing good lasts forever and unfortunately Gabriel Hunter was no exception. What readers are saying about this sweet and sexy romance: From the very beginning of the prologue I was hooked. This author truly showcased how talented she really is. The emotions were heartfelt. The dialogue was well thought out. Reviews from the Heart: The combination of suspense in finding out who Cady really is as well as her connection with Gabe and the rest of the band really kept me guessing and on the edge of my seat throughout the entire book. Millennial Life Crisis Bookshelf: What a way to start my new year of reading. Cady and Gabriel were everything. There wasn't anything I didn't love about this story. These two were just meant for each other and their story was perfect. Nancy M: Regretting Gabriel is the second book in the gritty angsty Reason to Ruin series. It can be read as a standalone. Emotionally gripping, this sexy raw romance will pull at your heart strings and leave you with a guaranteed happily ever after.
