A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a

breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.
