

ANIMAL FARM

ACT I - THE REVOLUTION

Narrator: In England, there once can be found a farm called Manor Farm, owned by an irresponsible farmer named Mr. Jones, who had not much concern for his poor farm animals.

(Animals sorrowfully doing work in the farm)

Narrator: One evening, when Mr. Jones had retreated for the day, Old Major, the oldest and wisest of the animals, called for a meeting to announce something important.

Old Major: Comrades, so few of us will ever come to know the blessing of old age as I have. You, Porkers, don't you know that in your prime all that awaits you is the chopping board?! You, Hens, how many of your eggs did not even have the chance to hatch! You, horses, when your youth is gone and your muscles fail, what then? Our lives are short and miserable but should this always be the case? Is England so poor that we need to live like this? Nay! The lands of England which we toil are rich but the humans take everything from us! Yes, the humans are the root of all our misery! In my youth, there was a song that is now sadly forgotten. I myself had once forgotten it, too, but the words recently came back to me in a dream. The song is called Beasts of England... (clears throat and sings)

Beasts of England, Beasts of Ireland
Beasts of every land and clime
Hearken to my joyful tidings
Of the golden future time.

(Animals join Old Major in singing Beasts of England)

Soon or late the date is coming,
Tyrant Man shall o'erthrown
And the fruitful fields of England
Shall be trod by beasts alone

Mr. Jones: (shoots) Stupid animals!

(Animals quickly flee from the meeting.)

Narrator: The following day, to everyone's grief, Old Major was discovered lifeless in his stall.

Snowball: Comrades, what better way is there to remember Old Major than to realize his dream of an England where animals are free and equal, an England not ruled by men but by us, animals! We, pigs, call this the principle of ANIMALISM! We must rise and fight for what is ours!

Animal Farm Play Script
