Animal Pragmatism Rethinking Human Nonhuman Relationships:

Animal Pragmatism Erin McKenna, Andrew Light, 2004-09-07 What does American pragmatism contribute to contemporary debates about human animal relationships Does it acknowledge our connections to all living things Does it bring us closer to an ethical treatment of all animals What about hunting vegetarianism animal experimentation and the welfare of farm animals While questions about human relations with animals have been with us for millennia there has been a marked rise in public awareness about animal issues even McDonald s advertises that they use humanely treated animals as food sources In *Animal Pragmatism* 12 lively and provocative essays address concerns at the intersection of pragmatist philosophy and animal welfare Topics cover a broad range of issues including moral consideration of animals the ethics of animal experimentation institutional animal care environmental protection of animal habitat farm animal welfare animal communication and animal morals Readers who interact with animals whether as pets or on a plate will find a robust and fascinating exploration of human nonhuman relationships Contributors are James M Albrecht Douglas R Anderson Steven Fesmire Glenn Kuehn Todd Lekan Andrew Light John J McDermott Erin McKenna Phillip McReynolds Ben Minter Matthew Pamental Paul Thompson and Jennifer Welchman

Pets, People, and Pragmatism Erin McKenna, 2013-03 This book examines human relationships with pets without assuming that such relations are either unnatural and to be avoided or benign We need to find ways to relate respectfully For respectful relationships to be a real possibility though humans must make the effort to understand the beings with whom they live work and play

Pets, People, and Pragmatism Erin McKenna, 2013 Pragmatism is used to explore human beings relationships with horses dogs and cats This results in some surprising conclusions such as respectful relations may require humans to continue in some interactions that include training and work While most animal rights advocates call for the abolition of all such use a pragmatist needs to respect the history of these beings and find ways for them to express themselves

The ^AOxford Handbook of Feminist Philosophy Ásta, Kim Q. Hall, 2021-05-07 This Handbook offers an overview of the contemporary state of the field in feminist philosophy The editors introduction and forty five essays cover feminist critical engagements with and contributions to philosophy and other scholarly fields as well as feminist approaches to some of the current and crucial issues known across the world The volume provides a rigorous but accessible resource for students and scholars interested in diverse approaches within feminist philosophy and how feminist philosophers situate their work within the philosophical mainstream and other disciplines

The Educational Significance of Human and Non-Human Animal Interactions Suzanne Rice, A. G.

Rud, 2016-04-29 *The Educational Significance of Human and Non Human Animal Interactions* explores human animal non human animal interactions from different disciplinary perspectives from education policy to philosophy of education and ecopedagogy The authors refute the idea of anthropocentrism the belief that human beings are the central or most significant species on the planet through an ethical investigation into animal and human interactions and real life examples

of humans and animals living and learning together In doing so Rice and Rud outline the idea that interactions between animals and humans are educationally significant and vital in the classroom

Perspectives on Human-animal Communication Emily Plec, 2013 Despite its inherent interdisciplinarity the Communication discipline has remained an almost entirely anthropocentric enterprise This book represents early and prominent forays into the subject of human animal communication from a Communication Studies perspective an effort that brings a discipline too long defined by that fallacy of division human or nonhuman into conversation with animal studies biosemiotics and environmental communication as well as other recent intellectual and activist movements for reconceptualizing relationships and interactions in the biosphere This book is a much needed point of entry for future scholarship on animal human communication as well as the whole range of communication possibilities among the more than human world It offers a groundbreaking transformation of higher education by charting new directions for communication research policy formation and personal and professional practices involving animals

Animals and Society Margo DeMello, 2012 This textbook provides a full overview of human animal studies It focuses on the conceptual construction of animals in American culture and the way in which it reinforces and perpetuates hierarchical human relationships rooted in racism sexism and class privilege

The Routledge Handbook of Animal Ethics Bob Fischer, 2019-12-06 There isn't one conversation about animal ethics Instead there are several important ones that are scattered across many disciplines This volume both surveys the field of animal ethics and draws professional philosophers graduate students and undergraduates more deeply into the discussions that are happening outside of philosophy departments To that end the volume contains more nonphilosophers than philosophers explicitly inviting scholars from other fields such as animal science ecology economics psychology law environmental science and applied biology among others to bring their own disciplinary resources to bear on matters that affect animals The Routledge Handbook of Animal Ethics is composed of 44 chapters all appearing in print here for the first time and organized into the following six sections I Thinking About Animals II Animal Agriculture and Hunting III Animal Research and Genetic Engineering IV Companion Animals V Wild Animals Conservation Management and Ethics VI Animal Activism The chapters are brief and they have been written in a way that is accessible to serious undergraduate students regardless of their field of study The volume covers everything from animal cognition to the state of current fisheries from genetic modification to intersection animal activism It is a resource designed for anyone interested in the moral issues that emerge from human interactions with animals

The Sensory Modes of Animal Rhetorics Alex C. Parrish, 2021-07-14 The Sensory Modes of Animal Rhetorics A Hoot in the Light presents the latest research in animal perception and cognition in the context of rhetorical theory Alex C Parrish explores the science of animal signaling that shows human and nonhuman animals share similar rhetorical strategies such as communicating to manipulate or persuade which suggests the vast impact sensory modalities have on communication in nature The book demonstrates new ways of seeing humans and how we have separated ourselves from and subjectified the

animal rhetor This type of cross species study allows us to trace the origins of our own persuasive behaviors providing a deeper and more inclusive history of rhetoric than ever before **Passionate Animals** Mara-Daria Cojocaru, 2022-02-01

Passionate Animals Emotions Animal Ethics and Moral Pragmatics draws on the theoretical achievements made in ethics political philosophy and human animal studies addressing the problem that these advancements have not resulted in practical change toward significantly improved human animal relations Mara Daria Cojocaru argues that this gap between theory and action can close only if humans live up to the task of becoming passionate animals themselves and passionate about animals as well In the tradition of philosophical pragmatism and with reference to congenial thinkers like Mary Midgley Cojocaru develops a moral pragmatics that highlights the role of emotions in moral and political life and focuses on the institutions necessary to make tangible progress on the problems posed by animal experimentation and factory farming
