The Fine Line Between Love and Hate Ashley Erin, News flash My uptight landlord is infuriating I hate him almost as much as those perfectly pressed dress shirts he wears and the fact I want to rip them off Not reading the lease agreement before signing was an oversight but now I've got it memorized And I'm going to use it to my advantage while staying within the bounds of my contract Barely Charlie can't stand all my decorative little touches so what if the gnomes are a little vulgar But declaring war with him is better than the alternative ending up in bed with him Note to self Never let my mother choose a tenant for my house Evie might be a librarian but she's anything but quiet In fact she's the complete opposite My outspoken new tenant seems to get off on pushing me out of my comfort zone finding ALL my buttons And I'd be crazy to think that these sparks flying between us won't fizzle out We're nothing alike We're all wrong for each other So why can't I keep my hands to myself Opposites definitely attract in this hilarious enemies to lovers romantic comedy

Gabbard, 2000-04-01 Passionate feelings of love and hate are stirred in psychotherapy Paradoxically these passions may either undermine the therapist catastrophically or serve as the crucible in which profound understanding is forged Transferences and countertransferences of love and hate occur on a spectrum that includes unobjectionable negative and positive feelings relatively benign forms of love and hate and more malignant intractable versions of love and hate that present formidable challenges to the therapist Each of these variations is explored in different chapters of this book Gender configurations gender fluidity adolescent transferences the link between love and lust and passive forms of hating are among the topics discussed Most of all the author noted psychoanalyst Glen Gabbard depicts what it is like to be in the eye of the hurricane when passions are aroused He provides a practical yet theoretically sophisticated guide to the management of love and hate as they are experienced by both patient and therapist *Reading Freud* Jean-Michel Quinodoz, 2005 Reading Freud provides an accessible outline of the whole of Freud's work which succeeds in expressing even the most complex of Freud's theories in clear and simple language whilst avoiding over simplification
