The Resurrection: a Critical Inquiry Michael J. Alter, 2015-02-21 The Resurrection A Critical Inquiry is a scholarly work that refutes Jesus's purported physical bodily resurrection and those writings in support of it This book is compelling relevant and current for those readers seeking scholarly refutations of that resurrection This in depth work presents the reader with 113 issues Altogether one hundred twenty contradictions and 217 speculations are examined Topics include cutting edge research in astronomy geophysics criminology and the rules of evidence the social sciences and cognitive psychology

Saturday Faith Charles Ensminger, 2021-07-16 Saturday Faith deals with the times between Friday and Sunday which in Christian parlance are associated with Good Friday and Easter Sunday Yet what can be said about the time between the loss of one hope and the emergence of something new What about the moments of hopelessness In Saturday Faith the issue of hopelessness is examined as both an issue found in the Bible and as an experience through which one can travel Hopelessness is actually a part of the journey of faith Saturday Faith sets out to examine the stages of faith and demonstrate how one's theology can fall apart in crisis In this assessment one can begin to recognize that even in places of hopelessness there is more faith to be found in those Saturday times Saturday Faith shows how Job the disciples and even Jesus experienced hopelessness What the reader can hear in these pages that if one finds themselves walking through a Saturday time in life they are not as hopeless or alone as they might feel It may require a shift in thinking but Saturday is not where the story ends

Deconstructing Jesus Robert M. Price, 2009-09-25 After more than a century of New Testament scholarship it has become clear that the Jesus of the gospels is a fictive amalgam reflecting the hopes and beliefs of the early Christian community and revealing very little about the historical Jesus Over the millennia since the beginning of Christianity various congregations from fundamentalist to liberal have tended to produce a Jesus figurehead that functions as a symbolic cloak for their specific theological agendas Through extensive research and fresh textual insights Robert M Price paves the way for a new reconstruction of Christian origins Moving beyond the work of Burton L Mack and John Dominic Crossan on Jesus movements and Christ cults which shows how the various Jesus figures may have amalgamated into the patchwork savior of Christian faith Price takes an innovative approach He links the work of F C Baur Walter Bauer Helmut Koester and James M Robinson with that of early Christ myth theorists two camps of biblical analysis that have never communicated Arguing that perhaps Jesus never existed as a historical figure Price maintains an agnostic stance while putting many puzzles and scholarly debates in a new light He also incorporates neglected parallels from Islam the Baha'i Faith and Buddhism

Deconstructing Jesus provides a valuable bridge between New Testament scholarship and early freethinkers in a refreshing cross fertilization of perspectives *Leaving The Fold* Edward T. Babinski,2003-06-30 This riveting new collection offers testimonies of former fundamentalists who became disillusioned with their churches and left Presenting more than two dozen personal journeys this book gives a clear picture of what attracts a person to the fundamentalist faith and what can drive believers away from their religion Photos throughout **God's Defenders** S. T. Joshi,2010-10-29 Joshi presents a highly acerbic critique of the religious point of view that dissects the arguments offered by well known apologists for various tenets of belief **The Faithful Librarian** Garrett B. Trott,2019-09-18 What do Christianity and librarianship have in common Netherlands Prime Minister and theologian Abraham Kuyper 1837 1920 was among the first in the modern era to attempt to rejoin the dichotomy of sacred vs secular study when he said no single piece of our mental world is to be hermetically sealed off from the rest Over the years a number of publications have followed Kuyper s lead yet little has been written on the subject since Greg A Smith s notable *Christian Librarianship* 2002 Building on Smith s work this volume seeks to bridge the sacred secular divide with an exploration of how Christianity and the gospel are manifested through the profession of librarianship *The Christian Delusion* John W. Loftus,2010-04-27 In this anthology of recent criticisms aimed at the reasonableness of Christian belief former evangelical minister and apologist Loftus has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in Loftus first book **Dictionary Of Atheism Skepticism & Humanism** Bill Cooke,2009-12-30 In the tradition of Voltaire s *Philosophical Dictionary* Ambrose Bierce s *Devil s Dictionary* and Joseph McCabe s *Rationalist Encyclopedia* this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open minded people of all philosophic persuasions
