When creating our school district's mentoring programs, we could not find age appropriate, current, user friendly mentoring lessons. With limited financial and human resources, schools are searching for a practical, innovative and trial tested resource. Here it is. Mentoring Matters is the action plan with all the resources necessary to launch a school based mentoring program. The forty five thirty minute lessons will serve as the foundation of your mentoring program. From Facebook to bullying to teenage stressors, we cover it all. We live it with you everyday. We have eliminated all the hurdles and obstacles and created a handbook for mentoring success.
