Bound To Lose Destined To Win:

Bound to Lose Destined to Win Earthquake Kelley, 2011-07-14 Pastor and former heavyweight boxer Curtis Earthquake Kelley shares his testimony of salvation and deliverance from voodoo and sorcery He tells of his near death experiences first after dying from a drug overdose as a teenager and entering hell then years later after dying of a brain aneurysm and entering Paradise This book includes questions and answers plus a study guide From back cover **Bound to Lose Destined to Win** Curtis Kelley, Earthquake Kelley, 2007 *101 Good Reasons to Believe* James D. Sideras, 2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented *101 Good Reasons to Believe* is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars and non scholars alike **Turning Your Mess Into A Message** Josef A. Howard, 2011-02 Dr Howard has crafted a careful and balanced blend of Bible exposition theology real life illustrations from his vast ministerial experience and practical applications to those who yearn for their lives to be transformed from a messy situation to a message that honors and glorifies God Each chapter expounds the miraculous way God used an unlikely individual with a messy life and turned his or her life into a positive message The woman at the well Zacchaeus Jabez Ruth the thief on the cross and Jephthah all faced challenging circumstances Sin genetics the unexpected death of a spouse rebellion and poor family heritage placed these Bible characters in the most likely not to succeed category All had three strikes against them God in His infinite mercy and grace had a plan for each of these lives He turned their mess into a positive message Regardless of what mess you find your life to be in this book gives practical ways of how to get out Everyone faces trials and difficulties in life Dr Howard likens the trials and difficulties in life to potholes Potholes appear out of nowhere unexpectedly and can be destructive and hurtful and take away our joy and sense of well being Dr Howard says Being a Christian does not mean that we will not be faced with trials and tribulations which are like potholes in our lives some are big while others are small Regardless of how messy your life is or how many potholes are causing you concern Turning Your Mess into a Message will give you hope and lead you to the Savior who alone can turn your life around He did it for the six Bible characters expounded upon in the book and He continues to change and transform

messy lives into a message today **Secrets from Beyond the Grave** Perry Stone,2010 Stone brings his unique blend of Bible knowledge prophecy and spiritual insight to the topic in this comprehensive look at the afterlife He show what hell will be like for those who depart this life without a salvation experience and discusses the location and purpose of Paradise the temporary home for Christians who have died **Warnings From Heaven** Louis Nicolosi,2013-07-16 Warnings from Heaven was written to open one of God s windows into the future and reveal to humanity things to come It serves to encourage and help in preparing people and nations for the coming of the Lord Jesus Visions of heaven hell and national conflicts are disclosed as warnings to humanity for what awaits those who reject the Lord Jesus It is not the will of God that any should perish but that all should come to repentance Time s clock is fast approaching an alarm and eternity rides hastily to meet it Warnings from Heaven trumpets one resounding cry be ready **The Book of Revelation Decoded Revised Edition** Rabbi Kirt a Schneider,2025-01-07 As the world grows darker so do our eyes to the things to come After reading this book you will understand the connection between the Old Testament and End Times what to expect during the last days and how to stand firm in Christ even when facing opposition As the world grows darker and darker many people have a sense of impending doom In this revised edition Rabbi Kirt A Schneider includes updated facts statistics and additional insights showing how prophecy is being fulfilled before our very eyes Decoding the Book of Revelation Rabbi Schneider shows how the end time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets In this prophetic guide you will not only discover how the Passover foreshadows the great tribulation but you will also uncover what the Hebrew prophets reveal about The Anti Messiah Heaven and Hell The Millennial Kingdom The Days of Armageddon The Return of the Messiah The signs of the times are flashing like neon lights pointing to Jesus s imminent return Now more than ever the church needs to recognize what is happening and prepare for what is yet to come The time to prepare for the battle is not when you re in the battle It s before the fight This book will help readers discover what to expect during the last days and how to stand firm in Christ even in the face of opposition **Psalms 49 and the Path to Redemption** Janet Smith,2017-08-04 In Psalm 49 and the Path to Redemption Janet Smith revisits her PhD dissertation Dust or Dew Immortality in the Ancient Near East and in Psalm 49 reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel s belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that Psalm 49 takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts as expressed by Jesus Christ Finally the book reviews a few modern near death experiences to ask if the Scriptures regarding afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption *A Rabbi Looks at the Afterlife* Jonathan
