Smith,2017-07-05 Dwelling on the rich interconnections between parody and festivity in humanist thought and popular culture alike the essays in this volume delve into the nature and the meanings of festive laughter as it was conceived of in early modern art The concept of carnival supplies the main thread connecting these essays Bound as festivity often is to popular culture not all the topics fit the canons of high art and some of the art is distinctly low brow and occasionally ephemeral themes include grobianism and the grotesque scatology popular proverbs with ironic twists and a wide range of comic reversals some quite profound Many hinge on ideas of the world upside down Though the chapters most often deal with Northern Renaissance and Baroque art they spill over into other countries times and cultures while maintaining the carnivalesque air suggested by the book s title *Collected Works of Erasmus* Érasme,1974 **Ingratiation from the Renaissance to the Present** Jeff Diamond,2017-06-21 Ingratiation from the Renaissance to the Present explores a common ethical problem for intellectuals of the Renaissance How does one win the favor and patronage of the wealthy and powerful and yet maintain one s dignity independence or principles This study examines this and similar ethical dilemmas and how they were reflected in the lives and writings of intellectuals of the period particularly Niccol Machiavelli Desiderius Erasmus Thomas More and Michel de Montaigne It also places the issues

within their larger social and cultural context and provides comparisons to the contemporary world
