Bowers,Linda A. Fisher,2012-11-19 The first woman in America to own and operate a circus Agnes Lake spent thirty years under the Big Top before becoming the wife of Wild Bill Hickok a mere five months before he was killed Although books abound on the famous lawman Agnes s life has remained obscured by circus myth and legend Linda A Fisher and Carrie Bowers have written the first biography of this colorful but little known circus performer Agnes originally found fame as a slack wire walker and horseback rider and later as an animal trainer Her circus career spanned more than four decades Following the murder of her first husband Bill Lake she was the sole manager of the Hippo Olympiad and Mammoth Circus While taking her show to Abilene she met town marshal Hickok and five years later she married him After Hickok s death Agnes traveled with P T Barnum and Buffalo Bill Cody and managed her daughter Emma Lake s successful equestrian career This account of a remarkable life cuts through fictions about Agnes s life including her own embellishments to uncover her true story Numerous illustrations including rare photographs and circus memorabilia bring Agnes s world to life **Blind Visitor Experiences at Art Museums** Simon J. Hayhoe,2017-05-30 Blind Visitor Experiences at Art Museums seeks to answer two questions Given the guiding principle of visual art being understood only by sight what do people understand when sight is diminished or not there Moreover given the experience of blindness what are the effects of vision loss or no vision on a cultural identity in art It does this by exploring seven in depth case studies of visitors to the education department at the Metropolitan Museum of Art New York and the experiences of leading groups by two teachers In addition this book includes findings from participant observations in classes and touch tours for blind and visually impaired people at the Metropolitan Museum of Art After reading this book readers will understand both passive and active social exclusion from the museum s facilities active exclusion is defined as a deliberate act of exclusion based on the belief that blind people are incapable of understanding visual art whereas passive exclusion is defined as exclusion resulting from an aspect of miseducation such as inappropriate building design or learning materials or a lack of training knowledge resources access materials or buildings
