American Politics Today Third Essentials Edition:

American Politics Today (Third Core Edition) David T. Canon, William T. Bianco, 2013-01-08 Politics is about conflict and compromise American Politics Today helps students understand the debates and controversies that they encounter in the news by emphasizing conflict and compromise as natural parts of politics New book features including highly visual How It Works infographics show how the American political process resolves conflicts **US politics today** Edward

Ashbee, 2013-01-18 The third edition of US Politics Today provides a concise up to date and accessible introduction to US government and politics It offers a survey of core institutions such as the Presidency Congress and the US Supreme Court assesses the electoral system and considers the part played by organised interests and political parties The book includes coverage of the 2008 presidential election and the Obama administration s record in office The book also introduces some of the most important debates and arguments within American political science These include theories of voting behaviour different approaches to presidential power competing perspectives on the changing nature of the political parties and contrasting representations of the lobbying process The book is of particular relevance to undergraduate and A level students but is also valuable for the general reader *Poli Sci Fi* Michael A. Allen, Justin S. Vaughn, 2016-03-10 Poli Sci Fi An

Introduction to Political Science through Science Fiction allows readers students and instructors to explore the multiple worlds of science fiction while gaining a firm grasp of core political science concepts This carefully composed text is comprised of sixteen brief chapters each of which takes a prominent science fiction film or television episode and uses it to explore fundamental components of political science The book is designed to serve as a supplemental text for undergraduate political science courses especially Introduction to Political Science The structure and content of the volume is shaped around the organization and coverage of several leading texts in this area and includes major parts devoted to theory and epistemology political behavior institutions identity states and inter state relations Its emphasis on science fiction and particularly on popular movies and television programs speaks to the popularity of the genre as well as the growing understanding that popular culture can be an extraordinarily successful vehicle for communicating difficult yet foundational concepts especially to introductory level college students **Blacks in the Military and Beyond** G.L.A. Harris, Evelyn L

Lewis, 2019-07-31 African Americans have long used the military for gaining legitimacy and as the ultimate path to citizenship Blacks in the Military and Beyond thoughtfully chronicles their tumultuous journey from slavery through the present extending the ourstory to pre service in service and post service economic considerations as significant factors in determining whether or not serving in the military has advantaged Blacks and how such mechanisms like the periodic drawing down of forces have impacted Blacks overall G L A Harris and Evelyn L Lewis delve into the role of the military as a conduit in helping to create and sustain the Black middle class challenging the military to be more strategic as to the long term effects of its decisions to be ever mindful of upholding its moral compact with African Americans *CliffsQuickReview*

Abernathy, 2017-01-03 Real People Real Stories Real Politics Politics involves people from many backgrounds struggling to make their voices heard Real people telling their stories reflect our ideals choices and collective experiences as a nation In *American Government Stories of a Nation* author Scott Abernathy tunes in to these voices showing how our diverse ideas shape the way we participate and behave the laws we live by and the challenges we face Each chapter features real stories illustrating how the American political system is the product of strategies calculations and miscalculations of countless individuals Students learn the nuts and bolts of political science through these compelling stories Learning concepts in context is a tested learning technique that works to help ideas stick The key concepts are memorable because they are tied to real politics where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas Not only will all students see themselves reflected in the pages but they will come to understand that they too are strategic players in American politics with voices that matter Just like the Full version The Essentials edition is perfect for instructors who don't wish to cover the last three chapters on policy The Transformation of American Political Culture and the Impact on Foreign Strategy PAN Yaling, 2021-12-30 This book examines the interplay between political culture and diplomatic strategy in the U S revealing the transformation of American political culture and its impact on the country's foreign strategy The theoretical pivot of this study is an analysis of the dynamics of political culture

and the mechanisms of the interaction between political culture and diplomatic strategy Given this premise the core chapters revisit the historical transformations of American political culture and analyze the responses and countermeasures taken to attempt to reverse the perceived decline in American hegemony during the presidencies of George W Bush Barack Obama and Donald Trump factors interwoven with security economic and institutional crises The discussion describes the landscape and evolution of contemporary American political culture and the correlated adjustments of U S global strategy over the course of the twenty first century Given the myriad of challenges and political legacies left by its predecessors the author gives a pessimistic prognosis of the prospect of resolving America s political plight by the Joe Biden administration The title will be a valuable reference for academic and general readers interested in American politics U S diplomatic strategy and international relations Catalog of Copyright Entries.
