Institute has announced that all 2021 exams will continue to reflect the official 2020 curriculum Wiley's 11th Hour Final Review Guide for 2020 Level II CFA Exam compacts all readings tested on the 2020 CFA exam into one portable volume. Organized in order, this best-selling guide has helped thousands of candidates from over one hundred countries pass the CFA exam. Designed to boil it all down to the crucial concepts, formulas, and rules, this guide ensures candidates are familiar with the most important testable information. It's difficult to go over multiple books in the last few weeks before the exam, so Wiley's 11th Hour Review Guide does the work for you, condensing each reading down to two to five pages. Enter the exam room with confidence and reinforce your knowledge and preparation. This comprehensive guide complements Wiley's CFA Study Guides sold separately but may be used with any review course. An effective, efficient study guide, this book prepares you to reach the next level in your career. The Eleventh Hour Review book is simply brilliant. Virtually every sentence it contains is testable; it's an absolute must-have for every Level I candidate. Ameer UK: The eleventh hour guide was a great help. Konrad South Africa: I used your eleventh hour guide and mock exams for the last bit of my studying and greatly enjoyed your material. Out of all of the exam prep material I thought yours was the best. Thomas USA: Thanks to the team for writing the most intelligent Chartered Financial Analyst material I have seen to date. The eleventh hour guide is absolute genius and proving very valuable at this stage of the revision process. Doug UK.

Study Guide to Forensic Psychiatry Robert I. Simon, Liza H. Gold, 2006. Study Guide to Forensic Psychiatry is a question and answer companion that allows you to evaluate your mastery of the subject matter as you progress through The American Psychiatric Publishing Textbook of Forensic Psychiatry. The Study Guide is made up of 115 questions divided into 23 individual quizzes of 5-10 questions each that correspond to chapters in the Textbook. Questions are followed by an Answer Guide that references relevant text, including the page number in the Textbook, to allow quick access to needed information. Each answer is accompanied by a discussion that not only addresses the correct response but also explains why other responses are not correct. The Study Guide is a companion to The American Psychiatric Publishing Textbook of Forensic Psychiatry, the first reference designed and written for both the general clinician and the experienced forensic psychiatrist. Twenty-eight recognized experts introduce the forensic subjects that commonly arise in clinical practice. Each chapter is organized around case examples and includes a review of key concepts, practical guidelines, and references for further reading. This practical textbook makes this interesting specialty accessible to trainees and seasoned practitioners.
