Interstellar 6 - Orillion Prime Adrian Holland, 2001 **Aestheticism, Evil, Homosexuality, and Hannibal** Geoff Klock, 2017-10-11 In late 19th century England Oscar Wilde popularized aestheticism also known as art for art's sake the idea that art that beauty should not be a vehicle for morality or truth but an end in and of itself Rothko and Jackson Pollock enthroned the idea creating paintings that are barely graded panels of color or wild splashes Today pop culture is aestheticism's true heir from the perfect charismatic emptiness of Ocean's Eleven to the hyper choreographed essentially balletic movements in the best martial arts movies But aestheticism has a dark core one that Social Justice Activists are now gathering to combat revealing the damaging ideology reflected in or concealed by our most beloved pop culture icons Taking Bryan Fuller's television version of Hannibal The Cannibal Lecter as its main text and taking i ek style illustrative detours into Malcolm in the Middle Dark Knight Rises Harry Potter Interview with a Vampire Dexter and more this book marshals Walter Pater Camille Paglia Nietzsche the Marquis de Sade Kant and Plato as well as Dante Shakespeare Milton Blake Baudelaire Beckett Wallace Stevens and David Mamet to argue that Fuller's show is a deceptively brilliant advance of aestheticism both in form and content one that investigates how deeply art for art's sake and those of us who consciously or unconsciously worship at its teat are necessarily entwined with evil **An Exploration of Space 1999 Through the Lens of Fan Fiction: Forever Alpha** John K. Balor, 2019-07-10 An essential introduction to a rapidly growing field of study AN EXPLORATION OF SPACE 1999 THROUGH THE LENS OF FAN FICTION gathers in one place the complete 2015-16 Online Alpha discussion of the SPACE 1999 fan fiction corpus with a focus on the FOREVER ALPHA fan fiction series Collected here are central viewpoints and arguments by Online Alpha discussants that have dominated Online Alpha debates in recent years Editor John K Balor provides a cogent introduction that places each piece in its historical and intellectual context mapping the discussion and suggesting future trajectories The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *Quality Telefantasy* Andrew Lynch, 2022-03-28 This book explores the relatively new genre of Quality Telefantasy and how it has broadened TV taste cultures by legitimating and mainstreaming fantastical content It also shows how the rising popularity of this genre marks a distinct and significant development in what kinds of TV are culturally dominant and critically regarded By expanding and building on the definition of US Quality TV this book brings together a number of popular science fiction fantasy and horror TV series including Game of Thrones The Walking Dead and Westworld as case studies which demonstrate the emergence of the Quality Telefantasy genre It looks at the role of technology including internet recap culture and subscription video on demand distribution in Quality Telefantasy's swift emergence and analyses its success internationally by considering series created outside the US like Kingdom South Korea Netflix and Dark Germany Netflix The book argues that Quality Telefantasy series should be considered a part of the larger Quality TV super genre and that the

impact they are having on the global TV landscape warrants further investigation as it continues to evolve This is a valuable text for students and scholars studying or undertaking research in the areas of television studies new media and pop cultural studies

American Science Fiction Television and Space Joel Hawkes, Alexander Christie, Tom Nienhuis, 2023-03-05 This collection reads the science fiction genre and television medium as examples of heterotopia and television as science fiction technology in which forms processes and productions of space and time collide a multiplicity of spaces produced and re configured The book looks to be a heterotopic production with different chapters and spaces of genre production mediums technologies homes bodies etc reflecting refracting and colliding to offer insight into spatial relationships and the implications of these spaces for a society that increasingly inhabits the world through the space of the screen A focus on American science fiction offers further spatial focus for this study a question of geographical and cultural borders and influence not only in terms of American science fiction but American television and streaming services The contested hegemonic nature of American science fiction television will be discussed alongside a nation that has significantly been understood even produced through the television screen Essays will examine the various re configurations or productions of space as they collapse into the science fiction heterotopia of television since 1987 the year Star Trek Next Generation began airing
