ASE Test Prep and Study Guide James D. Halderman, 2013-04-17 ASE Test Preparation and Study Guide covers ASE areas A1 A8 and was written to help service technicians and students of automotive technology prepare to take the National ASE Certification Tests     **ASE A1-A8 ASE Certification Test Prep** Delmar, Cengage Learning, Maryann Landmann, Andre Goetsch, 2021-10-12 Comprehensive ASE A1 A8 study guide Covers the following A1 Auto Engine Repair A2 Auto Automatic Transmission Transaxle A3 Auto Manual Drive Train A4 Auto Suspension A5 Auto Brakes A6 Auto Electrical Electronic Systems A7 Auto Heating A8 Auto Engine Performance You have the Edge You now have an insiders view of the Exam in every detail in the exact Environment and patterns as test day Gain Confidence and reduce study time Proudly Made in the USA Your purchase supports over 100 America workers including writers editors managers researchers service reps programmers engineers designers and technicians 80% of your purchase made between February and April will be donated to find a cure     **Contributors of Success on the Automotive Service Excellence ( ASE) Student Certification Exam** Robert Vlach, 2017 The purpose of this study was to identify what essential elements contribute to success on the Automotive Service Excellence ASE Student Certification Exam More specifically variables such as the students performance in major specific courses placement exam scores work experience or preadmission experiences were considered Research on the effects of these variables may be useful in helping a program determine what contributes to a students success on the exam This information may prove to be useful to automotive training programs as a means to identify students who may need additional or specialized training It may also serve as a means to guide curriculum changes At the time of this writing there has been no published research which attempts to identify what variables predict success on the exam A quantitative research method was used for this study Participants in the study were students at the Pennsylvania College of Technology School of Transportation and Natural Resources Technologies majoring in one of the following Associates Degrees Automotive Technology Automotive Technology Ford ASSET emphasis Automotive Technology Honda PACT emphasis or the Automotive Service Technician Certificate program Students who complete all of their automotive major classes during the spring 2017 semester and complete the ASE Student Certification Exams were selected for the study Of the 57 students who met the criteria in order to participate 56 volunteered to participate The data were obtained from Pennsylvania College of Technology records ASE Student Certification Exam results and an investigator developed questionnaire Pearson Product Moment Correlations and a Spearman rank correlation were calculated to determine the best predictors of success on the ASE Student Certification Exam As a result of this study it has been discovered that there is a direct correlation between performance in both Physics Survey PHS103 and Technical Algebra and Trigonometry 1 MTH124 and the ASE Student Certification Exam It was also found that students who are required to participate in remedial math and or remedial reading courses were likely to perform at a lower level than their counterparts on the exam While work experience generally did not

correlate to performance on the exam automotive work experience did suggesting the importance of applying the concepts learned in education out in the workforce It was also found that students who participated in a secondary automotive CTE program were no more likely to perform well on the ASE Student Certification Exam In fact there was a negative correlation suggesting that those students were likely to perform at a lower level than their counterparts *ASE Test Prep and Study Guide* James D.
