IBM i 6.1 Independent ASPs: A Guide to Quick Implementation of Independent ASPs Scott Vetter, James Baer, Julie Cantrell, Harlon Trowbridge, IBM Redbooks, 2009-12-10 This IBM Redbooks publication explains how to configure and manage independent disk pool IASP functionality of IBM i 6.1 It is designed to help IBM technical professionals business partners and customers understand and implement independent disk pools in the IBM i 6.1 In addition this publication provides the background information that is necessary to plan implement and customize this functionality to your particular environment It provides guidance on running user applications with either application data or most application objects residing in an independent disk pool Considering that you can also use independent disk pools in a cluster environment this publication shows you the basic steps to make your independent disk pool switchable between two Power Systems™ servers or a single server with multiple LPARs Independent auxiliary storage pools have many business and technical advantages for Power Systems using IBM i Not only are independent auxiliary storage pools IASPs easy to create and maintain most applications can use them by simple work management changes IASPs can provide immediate benefits to your enterprise

Buttress's World Guide to Abbreviations of Organizations L. Pitman, 2012-12-06 The previous edition of this directory extended its coverage of the Far East Australasia and Latin America areas previously under represented For this new edition emphasis has been given to increasing the number of entries for organizations from Britain the United States and Australia and particular attention has been paid to new political organizations in Central and Eastern Europe and the former Soviet Union The number of entries included has gone up to over 68 000 of which over 9 000 are new or amended Cross references from defunct organizations in the previous edition have been deleted and references indicated by ex and now added for organizations which have changed their name since the previous edition As before the range of organizations included is broad and only purely local organizations have been excluded This directory therefore lists official and unofficial organizations national and international on all Subjects political economic and social Acronyms of parent bodies of subsidiary organizations are given where appropriate and equivalencies are used to link acronyms in different languages for the same organization Further information about the organizations listed can be found in the sources listed in the bibliography I would like to thank Henry Heaney and Graeme Mackintosh for their advice and David Grinyer for his technical support L M Pitman Bibliography Adams R ed 1993 Centres Bureaux A Directory of UK Concentrations of Effort Information and Expertise 2nd edn CBD Research Beckenham Barrett IK 1993 Encyclopedia of Women s Associations Worldwide Gale London *Ethereal Users Guide* Richard Sharpe, Ed Warnicke, 2001 Ethereal is one of those packages that many network managers would love to

be able to use but they are often prevented from getting what they would like from Ethereum because of the lack of documentation This document is part of an effort on the part of the Ethereum team to improve the accessibility of Ethereum We hope that you find it useful and look forward to your comments Buttress's World Guide to Abbreviations of Organizations Jean C. Swinbank, 2012-12-06 This edition of over 60 000 entries including significantly more than 20% new or revised material not only updates its predecessor but also continues the policy of extending coverage to areas dealt with only sparsely in previous editions Special attention has been paid to the Far East Australasia and Latin America in general and to the People's Republic of China in particular The cross referencing between a defunct organization and its successor indicated by ex and now introduced into the last edition has been extended Otherwise the policies adopted in previous editions have been retained All kinds of organizations are included international national governmental individual large or small but strictly local organizations have been omitted The subject scope includes activities of all kinds in the fields of commerce and industry education law politics public administration religion recreation medicine science and technology The country of origin of a national organization is given in brackets unless it is the home country of the title language or can be deduced readily from the title itself Acronyms of parent bodies of subsidiary organizations are also added in brackets Equivalences are used to link acronyms in different languages for the same organization A select bibliography guides the reader to specialist works providing more detailed information **Acquisition Strategy Guide**, 2000-02 4th edition Prepared under contract GS 35F 4033G Provides information that Program Managers should find useful in structuring developing and executing an acquisition strategy **A Complete Guide To Internet And Web Programming** Deven N.
