Binding Isaac Religious Disobedience Testament:

Narrative Obtrusion in the Hebrew Bible Christopher T. Paris, 2014-07-01 Narrators of the Hebrew Bible generally allow their stories to proceed while relying on characters and dialogue to provide necessary information Paris calls attention to when the story teller breaks frame to provide information or direct reader understanding preventing undesirable construals or interpretations of the story After surveying the phenomenon in the Hebrew Bible and other ancient Near Eastern literature Paris focuses on the Deuteronomistic History Paris argues that attention to narrative obtrusion offers an entry point into the world of the narrator and redefines aspects of narrative criticism

Ethical Issues in the Abraham Narrative Eryl W. Davies, 2025-09-18 Eryl W Davies enhances understanding of the ethical issues embedded in the stories concerning Abraham in Genesis 12 25 He focuses on the ethics of deception in Gen 12 10 20 and 20 1 18 and the dark side of the character of God as revealed in stories such as the binding of Isaac in Gen 22 while also considering how the writings of philosophers such as Kant Kierkegaard and Habermas illuminate aspects of the biblical stories Davies closely explores the ambivalence of characterisation the subtleties and ambiguities of plot the significance of narrative point of view and how the actions of the characters have been evaluated both within the text itself and by subsequent commentators By examining the morally problematic issue of the connection between deed and consequence the plight of Hagar the nature of sin in the destruction of Sodom and Gomorrah and the perspectives surrounding the incest of Lot and his daughters Davies demonstrates how biblical narratives can function in ethical deliberation

The Binding of Isaac Omri Boehm, 2007-07-20 Traditional interpretations in both Judaism and Christianity argue that the Akedah presents not only an ethical question but also an ethical reply But for the intervention of the angel Abraham would have killed his son Obedience to God take precedence over morality as humanly conceived Yet the angel of YHWH that appears to Abraham is a later addition to the text thus in the original narrative Abraham actually disobeys the divine command to slay his son and sacrifices a ram instead The first part of the book shows how the original version of the narrative did not contain the angelic figure The second part of the book re examines various religious interpretations of the text to show that exegetes such as Maimonides and his followers did point out Abraham s disobedience According to these writers the esoteric layer of the story in fact declares that disobedience to God s command was Abraham s true affirmation of faith In the third part of the book Boehm re opens the philosophical debate between Kant and Kierkegaard Boehm concludes the book by contending that the monotheistic model of faith presented by Abraham was actually a model of disobedience

Jewish eschatology, early Christian Christology and the Testaments of the twelve Patriarchs Marinus de Jonge, 2014-04-03 This volume which appears on the occasion of Marinus de Jonge s retirement as Professor of New Testament at Leiden University brings together twenty essays which he wrote recently for various periodicals and collective works A number of articles deal with the expectation of the future in Jewish sources like Ps Sol the Qumran Scrolls and Josephus Closely connected with these are some essays on the question of how

Fowler,2000-09-01 An introduction to the world religions of Judaism Christianity Islam Hinduism Buddhism and Sikhism Emphasis is placed on the living religion and the whole work is designed as a first level introduction for those who have little or no previous knowledge of these religions Jesus and Myth Peter John Barber,2021-02-15 Is Jesus mythological And is he a mere product of his cultural milieu Through narratological and social scientific analysis of the gospel account Barber systematically demonstrates that there are two opposing patterns structuring the gospel The first is the pattern of this world which is the combat myth with a typical sequence of motifs having mythological meanings It is lived out by everyone else in the accounts except Jesus because this pattern of the world is the pattern of myth culture which is the pattern of the old Adam and sin nature The pattern of Jesus is the pattern intended for Adam to walk in and is the unique pattern of the new Adam Jesus Christ Jesus s pattern inverts the sequence and subverts the significance of each and every motif and episode of the myth culture s pattern Barber shows that Jesus s failure to conform to this world s mythological pattern establishes that he is not mythological and not a product of his culture As the apostle Peter states we did not follow cleverly devised tales myths when we made known to you the power and coming of our Lord Jesus Christ but we were eyewitnesses of his majesty 2 Pet 1 16 **The Holy Bible, Containing the Old and New Testaments (according to the Present Authorized Version) with Critical, Explanatory, and Practical Notes** Joseph Benson,1846 *Dispensationalism, Israel and the Church* Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965
