gymnast Shun Fujimoto who brought his team to victory while fighting through the pain of a broken knee With hundreds of true stories and stunning photographs it is a collection of sports yearns unlike any other Sugarpine Chronicles David Queirolo,2024-05-14 It was early June 1974 and we were on our initial fire with the Tahoe Brigade California's first wildland fire crew with women on it We were transported by military half tracks to an area near the fire and walked out to it along with an all Hispanic crew It was an open area steaming with heat and the acrid smell of burned wood filled our lungs We were near a thirty foot hill and both crews lined up and covered the area slowly taking one glove off and feeling for heat with the back of a bare hand Glancing at Sarah and Linda I thought This fire is a piece of cake with frosting The fire gods had a different message for us *Montreal After Dark* Matthieu Caron,2025-06-13 Sex and jazz liquor and gambling Montreal in the early twentieth century was a city that offered an exceptional nighttime scene in North America By mid century that scene came under scrutiny and Montreal's influential mayor Jean Drapeau would be elected for the first time on a reformist platform that promised to end corruption Over more than three decades Drapeau would endeavour to transform Montreal into a world class global city by regulating its nightlife *Montreal After Dark* chronicles the spaces where nighttime regulations were enforced and contested City authorities understood the night as enabling disorder and they reorganized policing and crafted bylaws to gain control over it Police and politicians mutually reinforced each other's drive to morally cleanse the urban landscape especially for international events like Expo 67 and the 1976 Olympics But in an era of social unrest Drapeau's administration also found itself responding to the protective services discontent The political culture of the city was quickly transformed following terrifying nights without their services Matthieu Caron shows how in an effort to incorporate the night into the expansionary tendencies of consumer capitalism municipal authorities took sides in a debate over who had the right to public space at night what constituted acceptable behaviour or expression whose sexual activity sustained the social order and whose threatened to destroy it In terms that are strikingly familiar today *Montreal After Dark* elucidates how the desires of politicians would come to reorganize how consumption and leisure labour and dissent noise sex and art were lived in Montreal after the sun went down Surveilling and Securing the Olympics Vida Bajc,2016-04-29 This book analyses the relationship between the Olympic Games with its ethos of openness and collectivism and the security concerns and surveillance technologies that are becoming increasingly prevalent in the organisation of public events

A Shining Thread of Hope Darlene Clark Hine, Kathleen Thompson, 1999. At the greatest moments and in the cruelest times, black women have been a crucial part of America's history. Now the inspiring history of black women in America is explored in vivid detail by two leaders in the fields of African American and women's history. *A Shining Thread of Hope* chronicles the lives of black women from indentured servitude in the early American colonies to the cruelty of antebellum plantations, from the reign of lynch law in the Jim Crow South to the triumphs of the Civil Rights era, and it illustrates how the story of black women in America is as much a tale of courage and hope as it is a history of struggle. On both an individual and a collective level, *A Shining Thread of Hope* reveals the strength and spirit of black women and brings their stories from the fringes of American history to a central position in our understanding of the forces and events that have shaped this country.

The Crisis, 1992-08. *The Crisis*, founded by W. E. B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, *The Crisis* has been the magazine of opinion and thought leaders, decision makers, peacemakers, and justice seekers. It has chronicled informed, educated, entertained, and in many instances, set the economic, political, and social agenda for our nation and its multi-ethnic citizens.
