Controlling My Kids With Comedy, A Love Story Michael Kornbluth ,2019-07-04 Controlling My Kids With Comedy A Love Story is a love letter to the gift of fatherhood and serving lady laugh in the form of various joke poems and essays about a stay at home comedian s desire to teach his kids well in addition to his quest to become a best selling author so he can continue hosting his Do It All Dad Year Podcast at home near his 3 biggest fans in the universe while preaching how controlling our kids through comedy can make our kids great again because Do It All Dad s fuss free kids 99% of the time are living proof of it *Fashion Fads through American History* Jennifer Grayer Moore,2015-12-14 Perfect for any reader interested in fashion history or popular culture this text is an essential resource that presents vital information and informed analysis of key fashion fads not found elsewhere Fashion Fads Through American History Fitting Clothes into Context explores fashion fads from the 19th century to the current decade providing the reader with specific insights into each era The text draws fascinating connections between what we see in fashion phenomena including apparel accessories hair and makeup and events in popular culture in general and across history Written by an art and design historian the book is ideal for a wide range of student research projects especially those in American history social studies art and literature classes It covers topics overlooked by fashion history texts because of their origination outside of the formal fashion system Each entry provides critical historical context to help readers understand why the fad originated and why it resonated with consumers and presents vital information and analysis of key fashions that were intimately related to currents in contemporary culture The text also considers the resurgence of some fashion fads in the late 20th and early 21st centuries and provides context for their relevance *The Athlete Whisperer* Andrea Kirby,2025-03-31 Andrea Kirby was not a former athlete and had no ties to television Still in 1971 this single mom talked her way onto a small television station as a sportscaster A rare female in the all male culture of her beloved sports she was harassed and discriminated against but she wasn t deterred Kirby excelled at her first break and then moved to a bigger market in sports rich Baltimore Male colleagues said she didn t belong but fans loved her teams respected her and networks noticed her In 1977 ABC Sports hired Andrea Kirby as its first full time female announcer Hosting the College Football Scoreboard and traveling the world for Wide World of Sports was her hard fought dream come true Heartbreakingly the dream ended Kirby s survival became another great adventure Then a chance interview with a famous basketball player changed everything inspiring an idea so original that it appeared as a question in the board game Trivial Pursuit A rare entertaining and uplifting story The Athlete Whisperer will inspire any reader with an improbable dream *Transgender Rights* Susan Gluck Mezey,2019-07-24 This book examines the transgender community s struggle for equality over the last decade comparing the Obama and Trump administrations stance on transgender rights policies Transgender rights claims have assumed an important place on the nation s policymaking agenda as society has increasingly become aware that transgender individuals are subject to discrimination because they do not conform to the

norms of the gender identity they were assigned at birth With Congress virtually absent from the policymaking process the executive branch and the federal courts have been chiefly responsible for determining the parameters of transgender rights policies The study contrasts the Obama administration s efforts to expand equal rights for the transgender community especially in employment education and military service with the Trump administration s determination to rescind the Obama era initiatives In their efforts to do so Trump administration officials have urged the courts to reverse decisions extending the benefit of civil rights laws and constitutional guarantees to the transgender community arguing that gender identity is outside the scope of these protections Although most federal courts have been inclined to accept the Obama administration s perspective on transgender rights ultimately this will be a matter for the U S Supreme Court to decide The book is appropriate for students scholars and interested general readers
