Bill Scheidler Discipleship Manual:

The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle, being a disciple of Jesus, and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus, the original disciple maker and centerpiece of discipleship; Holy Spirit, who fuels the disciple making process; Intentionality, making disciples utilizing a strategy and a roadmap; Relationships, creating a loving, genuine connection with others who trust and follow Jesus; Bible, using the Word of God as the manual for making disciples; Journey, forging a traceable growth story from a new birth to spiritual parenthood; Multiply, reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts. *Real-Life Discipleship Training Manual* Jim Putman, Bill Krause, Avery Willis, Brandon Guindon, 2014-02-27 Over 100,000 sold. Reform the way small groups make disciples. This companion training manual to *Real Life Discipleship* provides unique guidance and insight to pastors, church leaders, and their disciples as they work to create an effective discipleship program. With a thorough, results-oriented process that can be applied in other contexts and cultures, this manual explains the necessary components of disciple making so that every church member can play a part in reaching others for Christ. A great leader's resource, it shows you how to cultivate new leaders for the future and equip them to make disciples. This manual includes teaching tools, activities, and questions that teach an effective, Christlike approach to discipleship. Training on how to identify, recruit, and develop gifted leaders from within your church fellowship. An explanation of the role of personal relationships in making disciples. Part of following Jesus is reaching out to others and sharing what we believe.
