This workbook is a companion piece to the author's forthcoming book *HOW TO SPOT A DANGEROUS MAN BEFORE YOU GET INVOLVED* (pub date 12/04). It is created to be used along with the book and also in the author's workshops on how women can make good relationship choices, although it can also be used by itself. Women who date dangerous men fall into many categories from the teenager to the divorcee from the waitress to the professional woman. They often move from one category of dangerous man to another from the violent to the unavailable from there to the clinger. They need to figure out how to break this pattern and this workbook serves that purpose. This workbook is a realistic and effective tool for women to break the dangerous man pattern and contains 22 worksheets/quizzes to lead women to the place where they can effectively create their personal **DO NOT DATE** list of red flags. See table of contents for specifics. **The Magick of Lenormand Card Reading** Kalliope Haratsidis, 2024-04-28. Brown, 2011-01-01. This savvy, straightforward book pairs real women's stories with research and the expertise of a domestic violence counselor to help women of all ages identify Dangerous Men before they become too involved. Brown describes eight types of Dangerous Men, their specific traits and characteristics. In separate chapters, she explores victim's stories that tell how they came in contact with this type of Dangerous Man and their outcome. Brown then shows readers how to develop a Defense Strategy, how to spot, avoid, or rid themselves of this type of Dangerous Man. Brown explains women's innate red flag systems, how they work to signal impending danger, and why many women learn to ignore them. With red flags in hand, Brown then guides readers through their own personal experiences to develop a personalized Do Not Date list. With these tools, Brown shows women how they can spot and avoid patterns of engagement.
